How to Sign Up!

We're excited to introduce a new, streamlined way to manage registration, schedules, and billing for your child's gymnastics classes! To simplify these processes, we are now using iClass Pro, an online portal that makes it easier than ever for you to manage your gymnast's activities with us.

Why Sign Up for iClass Pro?

iClass Pro provides a user-friendly, all-in-one platform for you to:

- Register for classes and events at any time
- Manage payments and billing with a secure, convenient system
- View schedules and keep track of upcoming classes or events
- Receive updates and reminders for important events, cancellations, or deadlines

How to Get Started:

1. Go to the App Store and download the iClassPro App to your mobile device.

When prompted to add an organization type in: **gleasonsgymnastics**

2. Create your family account and add your gymnast's information.

3. Register for classes and manage your account details, including billing preferences. Once you create a student you will be prompted to enroll them into a class. Please select and enroll them in their current level that they are in.

4. Add Payment Method We will be using this for your continued automatic billing. Once we have verified that everything is working as it should we will be shredding your paper copies and disposing of them in the proper manner. Setting up your iClass Pro account is quick, and it gives you complete control over your registration and account information. We encourage all families to sign up as soon as possible to ensure smooth registration and easy access to class information.

If you have any questions or need assistance setting up your account, please feel free to contact us. We're here to help! We ask that you please be patient with us as this is just as much a learning curve for us as it is for you!

Registration and Tuition

Registration fees are assessed every 12 months based on your athlete's anniversary date, which may differ from their original class start date. Registration fees are \$45 per athlete and are good for one full year (12 months). Tuition is due the FIRST class of each month. Tuition payments are due on the 1st class of each month. To ensure smooth operations and continued quality programming, a \$5 late fee will be applied to any account that has not been paid by the 10th of the month.

Enrollment

All applications are accepted on a first come, first served basis. Various classes are limited in size; therefore, prior registration is required. Students who attended a class last year must re-register for the class they wish to take. We do not hold spots from year to year. Registration fee and monthly tuition must be paid at the time of enrollment. Enrollment is for one class per week at the specific day and time selected during registration. We reserve the right to cancel a class due to insufficient enrollment. You will be notified if this occurs. **Note: if you're on a waitlist this does not mean you are in the class. You will receive a notification when your enrollment is active.**

Drop/Cancellation Policy

We understand that schedules change, and we strive to make the cancellation process as smooth as possible. If you need to drop a class, we require a minimum of two weeks notice, in writing, before your next billing cycle. If notice is given less than two weeks before the billing date, the next month's tuition will still be charged, and the athlete may continue attending classes during that period. No refunds or credits will be issued for missed classes prior to cancellation. Please note that if an athlete misses three or more consecutive classes and the account remains unpaid, the athlete will be automatically dropped from the class to allow another family the opportunity to enroll.

Parent Observation:

Parent Observation is through SPOT TV. Gleason's gymnastics has installed several cameras in the gym and pays SPOT TV each month to allow the parents to watch their children's gymnastics class from the comfort of their cell phone. Spot TV is an app on your phone that is downloaded and you provide the appropriate information concerning your child and which class that they are attending. Once this has been done, the gym can approve your request and SPOT TV allows you to watch your child during the 'live' feed of their class.
