Enrollment

All applications are accepted on a first come, first served basis. Various classes are limited in size; therefore, prior registration is required. Students who attended a class last year must re-register for the class they wish to take. We do not hold spots from year to year. Registration fee and Summer Session fee must be paid prior to a student taking the class. We reserve the right to cancel a class due to insufficient enrollment. You will be notified if this occurs.

Drop and Cancellation Policy

We appreciate your commitment to our summer class sessions at Gleason's Gymnastics!

Please take note of our drop and cancellation policy:

- 1. Non-Refundable Session Fee:** All fees paid for the summer class session are non-refundable and due at the time of registration. This policy ensures that we can continue to provide quality instruction and maintain our facilities.
- 2. No Pro-rating for Missed Classes:** We understand that circumstances may arise, but please be aware that there will be no pro-rating or refunds for any classes missed during the session. We encourage students to attend all scheduled classes to maximize their learning and progress.
- 3. Cancellation Notification:** If you need to withdraw from the program, please provide written notice to our office as soon as possible. This allows us to manage class sizes effectively and potentially accommodate other students on the waiting list.

Parent Observation:

Parent Observation is through SPOT TV. Gleason's gymnastics has installed several cameras in the gym and pays SPOT TV each month to allow the parents to watch their children's gymnastics class from the comfort of their cell phone. Spot TV is an app on your phone that is downloaded and you provide the appropriate information concerning your child and which class that they are attending. Once this has been done, the gym can approve your request and SPOT TV allows you to watch your child during the 'live' feed of their class.
