## CQC CONSTRUCTION Q CHARITIES

A decade of success for Construction Q has enabled our team to devote time, energy and resources into our true passion; charity work. Since our formation, we have **donated £30,000+** of fee-earning work to chosen charities.

In 2015 we started working with the **Joshua Tree Foundation**. Working closely with the families affected by childhood cancer, in 2019 the Joshua Tree completed the development of a **£2m respite centre** in Nantwich. First donating our services on a **pro bono** basis for the entire project, we're now involved in fundraising events including **dragon boat racing, fun runs, bake-offs** and **clothing collections**.

The last year alone has also seen the Construction Q team working with:

Prevent Breast Cancer  
St Annes Hospice  
The Dyspraxia Foundation  
Cash 4 Kids Manchester  
Smart Works  
Milly's Smiles  
Chelwood Food Bank  
The Rucksack Project

Construction Q also devote time and resources to the local community. Every Christmas, Construction Q proudly sponsor **Santa's Sleigh**, delivering festive cheer to thousands of residents in the local area.

If there is charitable cause and we have the resource, it will be donated; an admirable mantra which thankfully remains supported by the ongoing success of our business.

2022 saw the launch of **CQ Charities**. We do so much work with worthy causes that should be highlighted to raise awareness for the charities we support.

Every year, our team members are encouraged to take paid leave to work with a local cause. Founding director Fiona Hull kicks this off every January by collecting Christmas Trees for St Anns Hospice. Follow us on social media to see what else we're up to this year!
