CONSTRUCTION Q
COMMUNITIES

**TEAM
KICKABOUT**
KICK OUT STRESS, KICK OUT DOUBT

Since the launch of Construction Q in 2010, we have been proud to devote time to our local community and support local causes. Our team members can often be seen working with the **Bramhall Together Trust** and the **Bramhall and Woodford Rotary Club**. Community Events such as **Light Up Bramhall** and **Bramhall Duck Race** would not happen without communities coming together; we are delighted to be able to donate our time and resources, from selling raffle tickets and manning the community bar, to helping deliver supplies.

Community Work also comes in the form of local sport. We have been proud sponsors of both **Juno United FC** (for 10 years) and more recently **Bramhall Cricket Club**.

Our community work is not just centred around Cheshire; since opening our Lancashire office in 2019, we have been proud matchball sponsors of **Chorley FC**.

Recently, we have started working with **TeamKickabout**. Supporting the mental wellbeing of nearly 2000 adults through offering non-competitive social football at venues across the North West of England and Scotland.

Launched through a local Dad's group in 2018 and officially incorporated in 2020 as a not-for-profit Community Interest Company (CIC), TeamKickabout now has thousands of followers and group members with several hundred playing football every week, Monday to Friday.

Team Kickabout was recently awarded **Project Of The Year 2022** by the **Lancashire FA** for its work supporting people's physical and mental wellbeing; we're proud to be involved.
