

Your Guide to Attending the Neuro Art Free Family Festival

The poster is a vibrant, colorful flyer for the NeuroArt Family Festival. It features a purple header and footer. The main body is white with a large, stylized brain character on the left side, which is splashing paint. The text is in various colors and fonts, including pink, purple, blue, and orange. There are several logos and icons, including the Laois logo, the All Abilities Ireland logo, and the National Lottery logo. The poster is held up by four pieces of grey tape at the corners.
