

NUMU SERVICES JV LLC

ISBEE | IEE | Indian Small Business Economic Enterprise
Federal Medical & Healthcare Staffing

A Comanche Nation Enterprises, Inc.
in Partnership with
Vesa Health & Technology, Inc.
(A Sterling Medical Company)

WHO WE ARE

Numu Services JV LLC is an SBA-approved Joint Venture formed under the SBA Mentor-Protégé Program between Numunu Staffing, LLC (Managing Venturer, 51%) — a wholly-owned Comanche Nation Enterprise, Inc. and federally recognized Indian Small Business Economic Enterprise (ISBEE) — and Vesa Health & Technology, Inc. (Mentor, 49%), a subsidiary of Sterling Medical. The JV pursues federal medical and healthcare staffing contracts set aside for Indian Economic Enterprises (IEE) and ISBEEs under the Buy Indian Act and applicable IHS, DoD, and HHS procurement regulations, including the 5% DoD Incentive Payment for utilization of Indian organizations.

WHY NUMU SERVICES JV LLC

- **Authentic ISBEE / IEE Status:** Numu Services JV LLC qualifies for Buy Indian Act set-asides and IHS sole-source awards — opportunities exclusively available to Indian Economic Enterprises. Comanche Nation ownership satisfies the most stringent tribal eligibility requirements.
- **DoD 5% Incentive Payment Eligibility:** Federal contracting officers who award contracts to this JV under DFARS 252.226-7001 qualify for a 5% incentive payment — a measurable financial benefit for DoD agencies that choose Numu Services JV LLC.
- **IHS & Tribal Health Expertise:** Vesa / Sterling Medical bring decades of experience navigating IHS procurement, credentialing, and compliance requirements. The JV is purpose-built for the agencies and communities IHS serves.
- **National Recruiting Capacity:** 25+ full-time recruiters at Vesa / Sterling Medical with established pipelines for physicians, locum tenens, RNs, CRNAs, and allied health professionals across rural and urban IHS facilities.
- **Community Impact & Comanche Nation Mission:** Revenue flows back to the Comanche Nation — creating tribal employment, building contracting capacity, and directly serving Native communities through IHS, BIA, and related agency contracts.
