TRIBALLY OWNED 8(A) GENERAL CONTRACTOR

Numunu is a subsidiary of Comanche Nation Enterprise, Inc., wholly owned by the Comanche Nation of Oklahoma. Numunu (pronounced NUH MUH NUH) is Comanche for 'The People.' We offer general contracting services across Oklahoma and the surrounding states. As a Native American business, we are intentionally diverse and inclusive. Our recruiting, training, hiring, and advancement practices ensure we exceed compliance requirements. As a Comanche Nation owned business, proceeds from Numunu fund tribal community and job training programs.

PERSONNEL EXPERIENCE

Numunu has hired a highly experienced team of Estimators, Project Management, and Field personnel with decades of government construction experience. Our personnel have worked with several government agencies such as: USACE, US Air Force, NAVFAC, GSA, National Park Service, FAA, Department of Agriculture, Department of Labor, Customs and Border Protection, US Navy, DOL, Smithsonian, and NIST.

Certifications & Diversity

Tribally Owned 8(a) General Contractor
A Comanche Nation of Oklahoma Owned Business

NUMUNU CONSTRUCTION

George Tahdoahrippah was hired by Comanche Nation Construction in 2014 as part of a mentor program to ultimately succeed the CEO. George spent time learning about various aspects of construction and held several roles including Field Engineer, Superintendent, Assistant Quality Control Manager and Assistant Project Manager. In September of 2019, George was appointed as CEO of Comanche Nation Construction. With only \$5,000 in the bank and \$1.6M in debt, George was able to turn the company into a profitable business entity. In January of 2021, George was named acting CEO of Comanche Nation Enterprises, Inc. Then in December of 2022, George was appointed CEO of Numunu Holdings, LLC and moved Numunu Staffing, LLC and Numunu Construction, LLC under the Numunu brand. George holds a Bachelor's of Business Science in Business Administration from Cameron University in Lawton, OK.
