## **Payment Policy**

**Cullen Funeral Home, Inc.** is a local family-owned business. We do everything possible to keep expenses down while offering the highest quality funeral and cremation services available in the Kansas City metropolitan area. When comparing facilities, staff, and services, we believe that you will find that we offer the best value available in the region.

In order to help us in maintaining our high standards of care, all funeral and cremation services are treated as cash transactions. We are not in a position to provide financing and your account is due and payable on the day that arrangements are made. In the event that the decedent's funds are not immediately available then a member of the family will need to take care of payment and file their own claim for reimbursement with the estate.

### **Your Third-Party Items:**

When we distribute payments on your behalf to outside third parties, such as a cemetery, newspaper, florist, clergy, musician, or for sales tax, etc., we require payment in the form of cash, check or credit card at the time of arrangements for these items. These are not our charges.

### **Your Funeral Home Account:**

This is a cash transaction. Payment is due and payable on the day that arrangements are made. Payment may be made by cash or check, by Visa, MasterCard, Discover, American Express, or by a fully funded Cullen Funeral Home, Inc. Pre-need Plan.
