FEAST DAYS EXPLAINED

St Anthony of Padua - June 13

Saint Anthony was a member of the Franciscan order and friends of Francis of Assisi. He was known for being an eloquent and gifted preacher, and is often depicted with a book and the Child Jesus (we have a statue of him in our church - look up front toward the altar).

Patron Saint of:
lost things

“Tony Tony come around, what is lost, must be found!”

How to celebrate?

Make a “Lost & Found” trail mix using ingredients from the pantry, or serve fish-shaped snacks to remember the time St. Anthony preached to the fish when the people would not listen. Or give to a local food bank or blessing box around your house.

GOSPEL: MATTHEW 9:36-10:8

Jesus told his 12 apostles to heal the sick. Today doctors work with God, just like the apostles did years ago. In hospitals you can see the hand of God at work. Many times doctors are able to find medicines and treatments to cure people of their illnesses. Sometimes even very sick people are healed. God sent these medicines and doctors to heal. By praying for the sick, you can help, too.

PRAYER: Holy Spirit, please teach us to love, care for, and cure the sick.
