GOSPEL: LUKE 17:11-19

Jesus healed 10 very sick men, but only one remembered to thank God. God heals your body every day, too. You may not even notice how God keeps you healthy. All around you, germs live on door knobs, shopping carts, and toys. When you catch the flu or a cold, God heals you. He keeps on healing you until he's ready to take you home to heaven. Thank God for keeping you healthy and for healing you, too.

PRAYER: Lord, please remind me to say, "Thank you."

ACTIVITY: Find the two that match.
