FEAST DAYS EXPLAINED

St. Padre Pio - September 23

Quick Facts: Saint Padre Pio was an Italian who loved God deeply and could see his guardian angel as a child, and spent his life praying for the sick. He became a Capuchin friar at age 15 and took the name Pio. As an adult priest, he received the stigmata (the physical wounds of Jesus on his hands and feet).

He built a large hospital called the House for the Relief of Suffering to care for sick people and spent hours every day listening to people's confessions and praying for them.

Patron of: civil defense volunteers and adolescents; and he is usually called upon for stress relief or healing.

Famous Saying: "Pray, hope, and don't worry!"

GOSPEL: MATTHEW 20:1-16A

Whether you work for God your whole life, or whether you just got started, God will reward you in heaven. God doesn't want you to compare yourself with other people. God just wants you to love him with your whole heart.

PRAYER: God, help me to be ready when you ask me to work for you.
