## SEO That Gets You Noticed

### Ignore AI. Disappear:

Websites without AI-era SEO will steadily lose rankings, authority, visibility, patients & revenue.

### Garner Attention In the Decision Zone

With proper structure, blogging & FAQs, (with content velocity), intelligent on-and-off page optimizations, strategic link ecosystems & more.

### Results Unlocked:

We analyze and maximize conversions, leads, calls, and ROI to the penny patients spend, turning search into new patients.

### Optimized To The MAX:

Your dedicated team manages all the complicated factors to ensure continuous improvements.

## Why Dentists Choose Patient NEWS

### 40X ROI

Proven systems help clients achieve an average 40X ROI after just one year.

### Dedicated To Dentists

Our programs work because we only work with dentists, DSOs, and their teams.

### Amazing Support

We take care of it all! We're with you every step of the way.

*"Absolutely 5 stars! Designing and maintaining our entire online presence ... so smooth. We are growing ... with high-quality new patients and a strengthened reputation in the community"*  
– Dr. Anthony Schwigel

*"We are a multi-doctor practice that's been working with Patient NEWS for more than a decade in multiple areas of marketing ... with much success, generating the top 3 revenue-making referrals every year for the past 5 years running.. They completely renovated our website, and our online presence has skyrocketed! Cannot recommend highly enough."* – PRDA Management
