

## More Members. More Retention. More Revenue!

Turn your uninsured base into your most profitable patients. **Dental Membership Plan Booster** utilizes smart automation and seamless integration to identify and convert patients into loyal and high-value members, driving measurable, year-over-year revenue gains.

### How DMP Booster Fuels Membership Growth

#### Automated Growth Engine

Email & text campaigns move uninsured patients from awareness to sign-up.

#### Loyalty That Lasts

Turn uninsured patients into high-value members who schedule more often.

#### Maximize Every Benefit

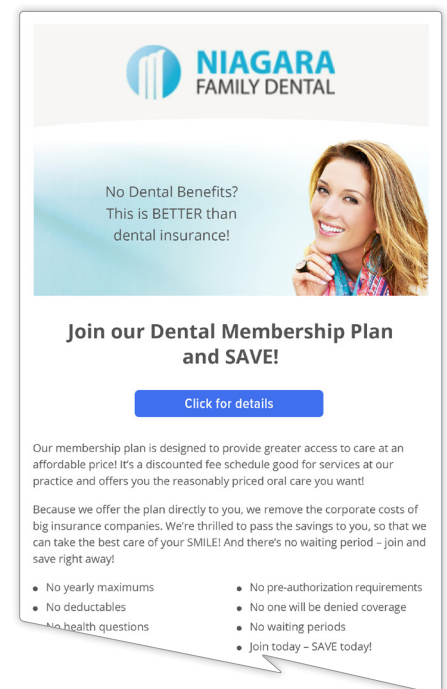

Automated reminders prompt members to book before their benefits expire, keeping schedules full.

#### Proven ROI Insights

Track how members outperform non-insured patients – in care & value.

#### Less Work. More Results.

Free up your team's time with hands-free, automated member communications.

### The Patient NEWS/Practice ZEBRA Difference

#### Effortless Setup

Quick, seamless integration with your current system(s).

#### Tailored Campaigns

Customized options that align with your practice goals.

#### Engaging Content & Design

High-quality communications & imagery that grab attention & resonate.

#### Set & Forget Simplicity

Schedule, automate, & monitor performance with confidence.
