## ELEVATE YOUR REPUTATION WITH REVIEW BOOSTER

Your reputation matters. Over 90% of new patients read reviews before choosing a dentist, and Review BOOSTER makes it easy for dentists to generate, monitor, and respond to online reviews on Google and Facebook. Using smart automation, this tool helps convert more new patients.

### How Review BOOSTER Fuels Growth

#### Stronger Online Reputation

Build trust instantly with authentic reviews and patient testimonials that speak for themselves.

#### Higher Local Search Visibility

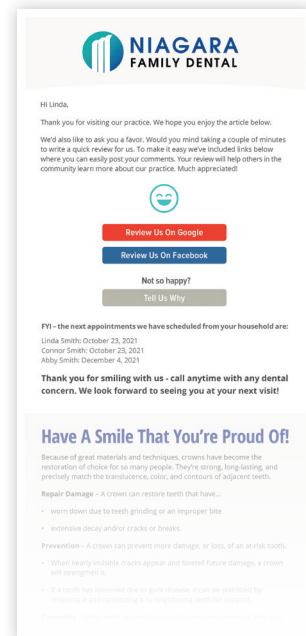

Boost local SEO and visibility with a steady stream of high-quality reviews from happy patients.

#### Less Pressure On Your Team

Review requests are automated. No staff reminders, awkward asks, or missed opportunities.

#### Make Every Visit Count

Triggered by completed appointments, our tool transforms routine care into consistent growth.

### The Patient NEWS/Practice ZEBRA Difference

#### Easy For You & Your Patients

Quick setup, intuitive dashboard, & an easy review process patients will love.

#### Built-In Value

Email requests include an oral health article & upcoming family appointment dates, providing value to patients.

#### Smart Rerouting

Not-so-happy patients are guided to a private feedback form, helping protect your public reputation.

#### One Tool. Endless 5-Star Potential.

Grow your practice with solutions created exclusively for dentists & DSOs.
