## Why Dentists Choose Patient NEWS

### Proven Growth

Our clients average 25% practice growth over two years.

### Only Dental

We only work with dentists, DSOs, dental teams, and dental consultants.

### Amazing Customer Service

We're with you every step of the way, from strategy to execution.

Dr. Ben Winters  
Wincrest Orthodontics  
(aka The Bentist)

*"Patient NEWS allowed me to have a system that captures prospective patients, gets them in the office, and gives us the necessary data to navigate our growth into the future.*

*Highly recommend."*

Dr. Joseph Boesch

*"The greatest move we made in our marketing program by far! The team is exemplary and such a pleasure to work with. Wish we had known about them years ago."*
