

March 2026 Prayer Wall - Gate of Business

In 2026, we are excited to introduce an added dimension to the Prayer Wall—one designed to help us pray with greater clarity and intentionality at the Gates of Influence. Alongside these prayer points, we are also highlighting the APEST gifts (Ephesians 4:11), recognizing that God has uniquely equipped His people to bring Kingdom strength, renewal, and transformation into every sphere of society.

These gifts reveal not only *how* we pray, but *how we are sent*—how each of us is wired to carry God’s presence, truth, and power into the Gates. We invite you to prayerfully discern your God-given gift and consider how the Lord may be calling you to move beyond intercession and into faithful action.

As you pray, listen. As you listen, obey. May the Spirit lead you to step into each Gate with humility, courage, and Kingdom purpose—bringing heaven’s influence wherever we go.

This month, we engage the **Gate of Business**, recognizing how each APEST gift is sent to strengthen what is fragile, bring renewal where systems are strained, and release Kingdom influence across the marketplace.

“Honest scales and balances belong to the Lord...” - Proverbs 16:11

Final Prayer for **Healthcare:**

You are the Lord of provision, the giver of wisdom, the One who establishes and sustains every righteous enterprise. We ask that Your Kingdom come and Your will be done in boardrooms, offices, factories, storefronts, and marketplaces. Raise up apostolic builders to establish foundations of integrity and excellence. Release prophetic discernment to expose corruption and align decisions with truth. Ignite evangelistic favor and influence that hope would spread through relationships and networks. Strengthen shepherding compassion so workplaces become healthy, honoring, and life-giving. Pour out teaching wisdom that clarity, innovation, and understanding would increase. We pray that greed would bow to generosity. That injustice would bow to righteousness. That fear would bow to faith. That compromise would bow to integrity. Let businesses become platforms for blessing, engines of generosity, and testimonies of Your goodness in our cities. May wealth be stewarded for Kingdom advancement. May leaders govern with humility and courage. May employees flourish in dignity and purpose. Lord, establish the work of our hands.

Let the Gate of Business reflect Your justice, Your creativity, and Your glory.
