# Fall Festival

## LET'S RAISE SOME FUNDS FOR WCS STUDENTS, STAFF AND FAMILIES!

WCS is blessed to have active Booster Club and PTO groups who together help fund student field trips, cover participation fees for academic and sports teams, organize special free events for school families and students, plan special luncheons for staff and provide monetary support for general school operating expenses.

ALL WCS students, staff and families benefit each school year from the hard work of these two groups, but to continue doing all that they do, both groups depend on having successful Fall Festival fundraisers, which are the main fundraisers for both groups. The Booster Club runs the parking lot at the St. Boniface Campus and PTO has two booths on Franklin Street. All profits from the Fall Festival fundraisers go directly back to these two groups and allow them to continue supporting WCS students, staff and families in the ways mentioned above!

The link below goes to this school year's Fall Festival SignUpGenius page.

This school year, each WCS family is asked to make one of the following volunteer time commitments for these fundraisers:

### **Be a chairperson.**

If you would be interested in chairing part of this fundraiser, please contact Tavishia Merritt for more information!

**-OR-**

### **Sign up to cover separate volunteer shifts.**

Families with preschool or pre-K students only are asked to cover two different shifts and families with K-8 students with or without preschool or pre-K students are asked to cover three to four different shifts. There are morning, afternoon and evening shifts; weekday and weekend shifts; and shifts outside and inside. If a WCS family is unable to cover their shifts themselves, they are asked to find another individual to help them do so. No experience is needed to volunteer for any shift and a chairperson will always be available to help show new volunteers what to do!

Questions regarding signing up for shifts? Please contact Melissa Pfafflin (812-449-7820, mmrobison1@yahoo.com) and she will be happy to help!

### **Other questions?**

Please contact one of the main chairpersons below:

Fall Festival Booth Co-Chairs: Tavishia Merritt (812-589-2491)

Fall Festival Parking Lot Chair: Ross Vaughn (812-319-9932)

Thank you again!

## Calling all 8th graders!

If your child is interested in engineering, computer science, A.I., cars, welding, or building things in general, Mater Dei Supermileage is a fantastic opportunity to get hands-on and learn by doing!

Students work together to design, build, and improve fuel-efficient vehicles while gaining real-world experience with technology, engineering, problem-solving, and teamwork.

**When: Wednesday evenings, 6:00-7:30 p.m.**

**Where: Mater Dei garage**  
**Also: One Saturday each month**

Whether your student already loves building things or is simply curious about how things work, Supermileage is a great place to explore those interests!
