Chatterton Tuition Ltd – 11+ Mock Exams for Ripon Grammar School

Dear parents and carers,

For those considering an application to **Ripon Grammar School**, you may be aware that **North Yorkshire Council has recently announced changes to the 11+ entrance exam**, which will apply from September 2026.

The new assessment format now consists of two papers:

- **Paper 1:** Verbal Reasoning and English (*Verbal Skills*)
- **Paper 2:** Non-Verbal Reasoning and Maths

The inclusion of Maths and English represents a significant shift, with content extending **beyond the standard KS2 curriculum**.

At **Chatterton Tuition Ltd**, we understand that such changes can create uncertainty for both pupils and parents. Our team of qualified teachers and experienced 11+ specialists has created a series of **carefully designed mock examinations** that reflect the new structure and level of challenge. These mocks run on multiple dates throughout the Summer, beginning in May and culminating in our large-scale **super mock** in September. Last year, this event welcomed nearly 100 pupils.

We are also proud to offer **free mock exam places for refugee pupils** preparing for the assessment.

Below is parental feedback to show the impact these mocks have had in previous years:

We used Chatterton Tuition to help my daughter pass the 11+ exam. Jane the one to one tutor was excellent very supportive and kept us well informed throughout. My daughter also attended some group classroom sessions with mock exams which proved invaluable to put my daughter at ease in what can be a stressful time for your child. I can highly recommend Chatterton Tuition. Thank You Phil and Sara.

Full details, including dates and booking information, can be found on our website: <https://www.chattertontuition.co.uk/11-plus>

The direct booking form can be found here:

Alternatively, please feel free to contact us directly:

- **Sara Chatterton:** sara@chattertontuition.co.uk
- **Connor Caswell:** connor@chattertontuition.co.uk

We are committed to supporting your child through these changes, helping them build confidence, develop key skills, and approach the new exam format with assurance.

Warm regards,

Chatterton Tuition
