Class 1 Curriculum Map - Autumn 2026

Early Years and Year 1

Science

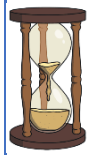

We are going to learn all about animals, including humans..

Geography

We will learn about simple compass directions and locational/directional language (near and far; left and right) when studying the locality around school.

History

We will be learning about Mary Anning (palaeontologist and collector) and David Attenborough (natural historian)

RE

Our RE topics this term are:
Which stories are special and why?
Why does Christmas matter?

Forest

Mrs B Bradley and Mrs S Bradley will be teaching us many new skills in the Forest area.

Design & Technology

We will be designing and making our own Christmas puppets

PE

Mr Banks will introduce key movement skills in PE this term.

Music

Using 'Sing Up', we will explore... Witch Witch and Row Row. We will also begin to learn songs for our Nativity.

Computing

We will learn and practise using computers safely and explore common uses of technology in and beyond school.

Art

We will be creating our very own self-portraits.

English

Daily Little Wandle phonics sessions, regular group reading and discrete handwriting sessions.
Focus texts: The Snail and the Whale & The Bear and the Piano.
We will develop our independent mark-making and writing skills in COOL (Choosing Our Own Learning) time.

PSHE Wellbeing

We will explore 'new beginnings'

Maths

We will cover the EYFS and KSI Numeracy objectives in Maths lessons with a focus on place value and addition and subtraction.
