Please Note

No jewellery is to be worn. North Yorkshire County Regulations and Guidelines state that jewellery of any kind (including earrings and ear studs) is removed for physical education because of the danger of injury to the wearer and/or other pupils in the class. Whenever possible children should be able to remove their own jewellery before a P.E. lesson. Where this is not possible, parents should ensure that jewellery is not worn on days when P.E. activities take place.

Earrings should not be covered by microporous tape or plasters due to risk of infection.

Jewellery does stretch to watches, including smart watches, these can cause injury to others and can be broken easily during sport

For hygiene and safety reasons it is recommended that children with long hair wear it tied or clipped back. Children are not allowed to wear nail varnish or make-up.

All items of clothing should be clearly labelled with the child's name
