NEW VBS FOR 2026

CELEBRATING AMERICA 250

God needed not the United States to carry out His will; He simply blessed those who strove to abide by His Word. In celebration of this faithfulness and the United States of America's 250th birthday, we are blessed to offer our new Vacation Bible School program: *America's Epic Adventure: The Miracle of Liberty*.

For years there has been a tenacious effort to demean and discredit America's founding. Where once the attack was to say America did not have a Christian heritage, today's attack boldly declares America's founding was Bible-based and is, therefore, the root cause of the nation's problems. That founding, they argue, must be delegitimized, erased, and replaced with a new secular foundation.

Meanwhile, something even greater is based on the Bible – the Church of Jesus Christ! Hence, the same attack against America's founding also declares the Church must be delegitimized and removed from any influence upon the culture. Consequently, it is imperative the Church today understand that the attack upon America's founding is inherently an attack upon the Church. Does your congregation know how to respond?

We invite you to welcome us in for either our new VBS or our program *Our American Founding* to explore how many sought freedom to worship and serve the Creator God and to train their children in the ways of the Lord. From Pilgrims to Presidents, we will examine the times when people succeeded and when they failed in abiding by God's Word and how the Lord blessed in the establishment of this country. As President George Washington stated in his first inaugural address, "No People can be bound to acknowledge and adore the invisible hand, which conducts the Affairs of men more than the People of the United States. Every step, by which they have advanced to the character of an independent nation, seems to have been distinguished by some token of providential agency."

Contact us to schedule Ryan for your program!

ALL CHURCH PROGRAM

VACATION BIBLE SCHOOL

SUMMER 2025

Summer of 2025 is two-thirds finished. We have taught at 7 different camp weeks along with 6 VBS programs. Ryan and I have had a busy summer for the Kingdom. Our travels have stretched from Ohio to Colorado and all points in between. We have taught in churches and connected with many supporters and friends. This summer, as usual, ministry has taken us away from family for periods, but there has been great returns for the sacrifice - more than forty-eight souls have been added to God’s eternal Kingdom and even more seeds planted with life-changing fruit produced, from the young to old.

Again and again we encounter students that are fired up with a passion for knowledge of the Word of God. As these students have found answers to questions or faith-challenging issues, they are better equipped to share their faith. This summer we have had the opportunity to reconnect with many students whom we taught at a younger age. Now they are in their teens or heading to college. Their testimonies of strengthened faith because of the mission God has called us to is more than rewarding.

It never gets old to meet grandparents, or even great-grandparents, during VBS that have lived their lives as followers of Christ yet have never seen the impact of Genesis to the Gospel. Just yesterday this happened with a grandmother who was overjoyed and appreciative of our teaching and message. Knowing more about dinosaurs Biblically allows for them to have new lines of communication with their cherished grandkids. Our ability to give these great warriors of the faith answers that can impact their families for eternity is priceless to us.

Please continue to lift us up in prayer as our summer is not over yet. As always, know that your support is making an impact for the Kingdom that we are eternally grateful for. If you are thinking about having us come next summer, don’t hesitate to contact us as summers fill quicker than the rest of the year. Summer has and will continue to be a crazy busy time for Kingdom work. Blessings.
