Accountability: Adjusting Report Procedures.

Dear city manager Glass and Members of city council,

I want to thank you for your ongoing commitment to keeping our council meetings running so effectively. I have reviewed past to present agenda packet and consent agenda. The consent agenda is a wonderful tool for processing routine business quickly, I hope you value the time of both the staff and the community.

I hope that the administration cares about protecting the city from liability and strictly upholding parliamentary integrity, I wanted to point out a technicality in our current voting procedures that might unintentionally expose the council.

In the last meeting and in past meetings the council (before and now) voted to "approve " monthly financial reports in the consent agenda. However Linden agreed to Rules of Procedures and Robert rule of order newly revised (51:15) that you can read basically says financial reports should NEVER BE VOTED ON they're simply meant to be "received for filing ".

By putting the financial reports in the consent agenda section, it could be looked at forcing a formal vote to approve records, the council is inadvertently rubber-stamping the absolute accuracy of the city's accounting. This is placing our council in a unfair legal burden who cannot realistically audit every item line during a meeting. This issue is further compounded when the agenda packet only contained check registries yet the council is asked to vote on a non existent " Financial Reports ".

To elevate the council's standard of professional governance and protect our trustees from forced compliance, I recommend we adjust our agenda language. Moving forward. I suggest the check registries and financial reports to be removed from under consent Agenda, to regular agenda. And from this day forward all monthly financial reports and check registers to be put in the agenda packets from now on. Also the agenda should state that check registries and financial reports updates are "received for filing".

This should immediately align our meetings with section IV (1) of the Linden mi city council rules and procedures , which mandates the use of Robert rule of order newly revised.

I am asking that this letter be attached to the next agenda, and that council members make a motion that this is the way financial reports and check registers will be addressed from this day forward.

Sincerely J.Preston

Formal inquiry: correction of mislabeled Agenda items and Adherence to parliamentary procedure

From Judy Preston [REDACTED]

Date Wed 9/2/2026 4:38 PM

To Brad Dick <bdick@lindenmi.us>; Elizabeth Armstrong <EArmstrong@lindenmi.us>; Kristyn Kanyak <clerk@lindenmi.us>; Ellen Glass <manager@lindenmi.us>; Jerry Link <jlink@lindenmi.us>

Dear city Manager and Members of the linden mi city council,

I am writing as a resident and taxpayer of The city of Linden to bring a recurring procedural issue to your attention regarding labeling of financial reports (documents) in our city council agenda packets and minutes.

In many years past to present (such as September 27,2021, August 22,2022, April 24,2023, January 22,2024, July 28, 2025 and August 10,2026 ,agenda packets and minutes" look under consent Agenda" or "financial reports" the minutes reflect that the council past and present voted to approve "financial reports " . However a review of the actual agenda packets reveals that only "check registers " were provided. This creates two distinct issues that require immediate administrative and legislative attention:

1. Mislabeled Public Records: labeling check registers as "financial reports " is misleading Taxpayers about what information is being reviewed and authorized.

2. Violation of parliamentary procedure: In the city council's rules of procedures, section D. Discussion and Voting - the city council has agreed to use Robert's Rules Of Order newest revised edition. Section 48.24 , a council should NEVER vote to "approve" financial reports, as doing so endorses it absolute clerical accuracy before an independent audit. A council must, however, vote to approve check registers to authorize the expenditure of public funds. There is a big between financial reports and check registers.

The Votes to approve financial reports "Could" be looked at as Rubber-stamping. Because it says financial reports and there is only check registers in the agenda packet. " By Mislabeling what's being voted on".

By not putting financial reports in the agenda packets it " Could " possibly be a open meeting act violation for public Act 267 of 1976 all public body decisions must be made at an open meeting. If the council is voting to accept financial reports that the public can not see in the city's agenda packets, it defeats the purpose of open government.

To ensure our public records conform to historical reality and legal transparency, I respectfully request answers to the following questions:

Remediation of past records: How will the city administration address to correct past minutes where the council voted to approve " financial reports " that were not present in the agenda packets? Will council introduce a motion to Amend something to reflect that only check registers were approved?

Remediation of past packets: will a corrective document be appended to archived online agenda packets so future taxpayers are aware of the missing documents and mislabeling?

Clarification of past records: please issue an administrative document of clarification in an upcoming agenda packet meeting to clarify for the public record that past votes to approve "financial reports " were legally votes to approve the check registers in the agenda packets.

Future Compliance: what internal controls are being put in place by the city manager to ensure that " check registers " and " financial reports " are kept as two entirely separate items , accurately labeled items moving forward? Also are Monthly financial reports going to be put in the agenda packets from now on?

Thank you for your time , commitment to the City of Linden mi, and your attention to correcting the transparency of the records of our municipality.

I am only trying to protect the City's Leadership through "Civil Participation " Addressing this issue and others I have addressed is not a attack on city staff or city council, it is an act of protective civic participation. 1. It Shields against Audits 2. It prevents OMA violation (regarding misleading Taxpayers, a lack of public materials ect.). 3. Protects Professional Reputation: How by clear, transparent books protects the city manager and Treasurer from any false accusations of financial mismanagement or incompetence. Clean records prove that staff are operating with total integrity.

I am asking as a resident and taxpayer of The city of Linden mi. Pursuant to the city council's agenda structure regarding "Correspondence " I am formally requesting that this email showing the whole email be included in the next official agenda packet for the upcoming city council meeting.

Kindly confirm receipt of this email and verify that it will be included in the next agenda packet at the next city council meeting. This email will be sent to The city of Linden mi and city Manager, city Mayor and city council.

Thank you all for your assistance and dedication to our city's governance. Sincerely, J.Preston (September 2,2026)

**CITY OF LINDEN
ORDINANCE NO. 429**

An ordinance repealing Chapter 111 of the Code of Ordinances as written and adopting a new Chapter 111 regarding solicitors, peddlers, and the like.

THE CITY OF LINDEN ORDAINS THAT:

Section 1. Repeal of Chapter 111 of the Code of Ordinances.

The City hereby repeals Chapter 111 of the Code of Ordinances.

Section 2. Adoption of New Chapter 111 of the Code of Ordinances.

The City hereby adopts a new Chapter 111 of Title XI of the Code of Ordinances to read as follows:

CHAPTER 111: SOLICITORS, PEDDLERS, AND THE LIKE

111.01 Purpose.

The purpose of this chapter is to license and regulate the movement, location, business practices and hours of operation of solicitors, transient merchants, and peddlers in the City; to reduce vehicular and pedestrian traffic congestion; to promote the safe use of the streets and sidewalks; and to protect the health, safety and welfare of the people of the City.

111.02 Definitions.

As used in this chapter, the following terms shall have the meanings indicated:

SOLICITOR, PEDDLER AND CANVASSER - Any person (which includes any individual, firm, entity, corporation, association, partnership, limited liability company, or organization or its agents) traveling either by foot, wagon, automobile, vehicle, or other conveyance, from place to place, from house to house, or from street to street, taking or attempting to take orders for the sale of goods, products, or merchandise or personal property of any nature; or attempting to collect monies, pledges or donations for political, charitable, or religious causes; or for services to be furnished or performed, whether or not such person has, carries or exposes for sale a sample of the subject of such sale or whether such person is collecting advance payments on such sales or not; or any similar action or activities including those persons who call themselves transient merchants, canvassers, hucksters, peddlers or other similar terms. These activities also include political and religious canvassing that does not seek monetary transactions, pledges, or does not seek monetary transactions, pledges, or donations.

111.03 Permit Required.

Except as otherwise provided in this chapter, no person shall solicit or act as a solicitor within the City without first obtaining a permit from the City. No permit shall be granted by the City without prior approval by the City Manager or such other City official as is appointed by the Manager. All permits shall expire 30 days after their issuance, unless renewed by the City Manager or such other City official as is appointed by the Manager.

111.04 Background Check

A. Except for persons or solicitors that are partially exempt from this chapter pursuant to section 111.06 hereof, the City shall complete a comprehensive background check for each permit applicant or, **in cases where a group or organization is the applicant, each individual who may solicit on behalf of the group or organization, and** ~~solicitor~~ before a City permit may be issued. Such background check may include, without limitation, a review of records of the Genesee County Sheriff, Michigan State Police, and/or similar records from other states and counties. If the individual applicant or solicitor has any civil or criminal warrants outstanding, or has been convicted of any crime or offense that, in the City's reasonable discretion, renders the individual solicitor a potential threat to the general peace and safety of the City, then the permit may be denied.

B. Unless the applicant is charged with any violation of local, state, or federal law subsequent to filing the application, all background checks shall be valid for a period of six months following the approval of the application.

C. During any period in which a person is licensed under this chapter, that person must inform the City of any and all changes to the information on their application and any event that would result in a change to the information produced in their background check.

111.05 Permit Application; issuance or denial.

A permit application may be obtained during normal business hours at the City offices.

A. Such application shall be fully completed and filed with the City at least 10 business days prior to the date of commencement of the solicitation. The application shall contain all of the following information:

- (1) Name of the applicant and the names of those persons soliciting for the applicant. Each individual solicitor must supply, in person, a

copy of their driver's license or other form of government-issued photo personal identification to the City.

- (2) Permanent home address and local address of the applicant (and for all other persons soliciting for the applicant), and the home street address, driver's license number, and telephone number of the person or persons who will be in direct charge of conducting the soliciting activities in the City.
- (3) A brief description of the nature of the organization and business and of the goods or services to be sold or solicited.
- (4) If the solicitor is otherwise employed, the applicant shall provide the name and address of such employer.
- (5) The length of time for which the solicitation within the City is desired.
- (6) The place where the goods or property proposed to be sold or orders taken for the sale are manufactured or produced, where such products or goods are located at the time said application is filed and the proposed method of delivery.
- (7) A statement as to approximate locations within the City where the solicitations will take place.
- (8) Each applicant and solicitor shall sign a statement as to whether or not that applicant or solicitor (or the solicitor's firm, corporation or organization) has ever been convicted of a felony and/or misdemeanor involving theft, fraud, assault, or any other unlawful offense and if so, stating the nature of the offense(s). A "yes" response may be cause for denial of a permit for the applicant if, in accordance with the standards of this section, and in the City's reasonable discretion, the conviction renders the individual solicitor a potential threat to the general peace and safety of the City.

B. If the requirements of this chapter are met, the City shall prepare and issue a solicitor permit to each person soliciting under the applicant. The permit shall be displayed by the solicitor at all times while soliciting in the City and shall be presented by that person to any resident requesting identification prior to any attempt to sell a product or service to that resident.

C. Any denial of a permit application shall be made in writing specifying the reasons for denial within 10 business days of the filing of a complete application. The City may take a longer period of time in determining whether a particular permit will be issued if the background check cannot be completed in a shorter period of time. Any appeal of a permit denial pursuant to this chapter must be in writing signed by the applicant and filed with the City within 10 business days of the date of the denial. All appeals shall be decided by the City Council.

D. The City shall deny a solicitor permit under any of the following circumstances:

- (1) Every requirement of this chapter has not been met.
- (2) The safety of the residents of the City will be adversely affected as determined by the City.
- (3) The applicant or the applicant's employer or organization has been convicted of either a felony of any kind or a misdemeanor involving solicitation, theft, fraud, assault, or another unlawful offense.
- (4) The applicant or the applicant's organization is delinquent in any real or personal property taxes or other indebtedness to the City.

E. A permit approved and issued under this article shall be nontransferable.

F. Applicants may reapply for a permit 60 calendar days after a denial or an unsuccessful appeal of a denial to the City Council.

111.06 Partial exemptions.

A. Persons canvassing or petitioning for political or religious purposes are exempt from the permit, fee, and registration requirements of this chapter.

B. Enrolled K-12 students are exempt from the permit, fee, and registration requirements of this chapter.

C. Persons soliciting for or on behalf of a state or federally registered or recognized charity or nonprofit corporation or entity are exempt from the permit and fee requirements of this chapter **when selling, soliciting or canvassing between the hours of 8:00 a.m. and 8:00 p.m.** These persons must still register with the City and provide the City Manager, City Clerk, or other City official designated by the City Council with a name, address, copy of a government-issued photo identification, and evidence that their organization is a state or federally registered or recognized charity or nonprofit corporation or entity before they engage in solicitation within the City. These persons must also comply with the requirements of the Michigan Charitable Organizations and Solicitations Act, MCL 400.271, et seq., as amended, and must provide to the City a

copy of a current permit issued by the Department of Attorney General pursuant to that statute.

D. Persons engaged in activity exempt from specific requirements of this chapter by virtue of state or federal law are exempt from the requirements of this chapter to the extent mandated by state or federal law.

E. The persons identified above must otherwise comply with this chapter unless otherwise specified.

111.07 Permit Fee.

A. Except for exempt permits specified in section 111.06 hereof, a nonrefundable permit fee, as determined by resolution of the City Council, plus the cost of a comprehensive background check, shall be paid to the City at the time that an application for a solicitor permit is filed with the City.

B. Renewal applications, permits, and badges will require the same non-refundable fees.

C. The above fees may be modified by the City Council by resolution from time to time.

111.08. General regulations and prohibitions.

Unless otherwise expressly permitted by another City ordinance or mandated by state or federal law:

A. Where a permit is required by this chapter, it shall be unlawful for any person to engage in solicitation without having first obtained a permit issued by the City. The permit must be visible at all times while the solicitor is engaged in the act of soliciting and shown upon the request of any person.

B. While conducting any act of solicitation for which a permit is required by this chapter, the solicitor shall clearly display the permit and photo identification that correctly identifies who the solicitor is and for whom the solicitor is working.

C. No person shall stop or park a vehicle at the curb for the purpose of solicitation from a vehicle, nor shall any person establish a stand, booth or other place of business on any street curb, sidewalk, public right-of-way or other public place. This subsection shall not be interpreted to prohibit parking for the purpose of making deliveries or for the purpose of consummating a business transaction with persons

waiting at the curb, provided that the solicitor leaves the curb immediately after the deliveries or transactions are completed.

D. No person shall operate or maintain any stand, structure, building or vehicle on or near to any public right-of-way for the service of customers or for solicitation in such a manner that requires customers to stand, occupy or congregate within the public roadway.

E. No person shall conduct any solicitation so as to obstruct any street, alley, sidewalk or driveway except as may be necessary and reasonable to consummate a permitted transaction or at any time after having been requested to desist by any public officer because of congested or dangerous traffic conditions or for the public health, safety or welfare.

F. No person shall engage in any solicitation on any property against the wish or desire of the property owner or the tenant or occupant of the property. No person shall trespass on the property of another while engaged in solicitation.

G. No person engaged in any solicitation shall visit any dwelling or residence without an appointment where a sign is displayed stating "No peddlers," "No solicitors," "No sales," "No trespassing" or words of similar meaning.

H. No person engaged in solicitation shall, while in a stationary position in any public place, shout, cry out his goods or merchandise, nor blow any horn, ring any bell, broadcast or play any sound, or use any other similar device to attract the attention of the public.

I. Except for exempt persons under section 111.06, no persons shall travel from door to door, street to street, or place to place within the City while engaged in solicitation except between the following hours:

- (1) April 1 to September 30: 9:00 a.m. to 9:00 p.m.
- (2) October 1 to March 31: 9:00 a.m. to 5:00 p.m.

J. No person engaged in any solicitation shall enter upon a property or call upon any occupant of the property by any means of entry or contact other than approaching the front entry door of the premises. No person engaged in any solicitation shall enter into an attached or detached garage, side yard, or a rear yard, unless invited by the occupant of the premises.

K. A permit under this chapter shall not be granted to any person owing any real or personal property taxes or other indebtedness to the City or who contemplates

using any personal property on which personal property taxes are owing in the operation of a business.

L. No person shall block or impede the passage of the person being solicited.

M. No person who is soliciting shall follow the person being solicited after that person has objected to the solicitation or asked the solicitor to leave.

N. No person shall use any threatening or offensive behavior or language when engaging in solicitation.

111.09 Permit Revocation; appeal.

A. A permit issued pursuant to this chapter may be revoked by the City. Such revocation shall be done by the City Manager or his or her designee.

B. The applicant may appeal the revocation of the applicant's permit revoked pursuant to this chapter by filing an appeal with the City Council. Any such appeal must be in writing (signed by the applicant) and filed with the City within 10 business days of the date of the permit revocation.

C. When considering whether or not to revoke a permit issued under this chapter (or during an appeal of such a revocation), the City official or body involved shall consider the following:

- (1) Whether one or more provisions of this chapter have been violated.
- (2) Whether continued solicitation by the applicant pursuant to the permit would endanger the health, safety, or welfare of City residents or property owners.
- (3) Whether there were material misrepresentations in the permit application.
- (4) Whether the applicant/solicitor has previously had his/her permit revoked under this section.

D. A person whose permit has been revoked under this section may reapply for a new permit 30 days after the revocation. The expiration of the 30-day period is not determinative as to whether a new permit will be issued.

Section 3. Effective Date.

This Ordinance shall become effective ten (10) days following publication

CITY COUNCIL AGENDA MEMO

MEETING DATE: September 14, 2026

DEPARTMENT: FIRE

To: Mayor and City Council
From: Brian Will, Fire Chief
Submitted: September 9, 2026
Subject: New Engine Pumper Truck

INTRODUCTION/ HISTORY/EXPLANATION OF TOPIC

As part of the FY 2026–2027 budget, the City included a financial placeholder in anticipation of future payments associated with the potential purchase of a replacement fire apparatus. The budget includes \$38,000 for estimated annual principal payments and \$31,000 for estimated interest expense. These amounts did not constitute approval of a purchase or financing agreement.

The Fire Department is recommending replacement of Engine 12, a 2001 pumper that serves as a primary response vehicle for structure fires, vehicle accidents, alarms, and other emergencies. In 2025, the City completed approximately \$55,000 in major repairs to E12, and the apparatus was out of service for approximately three months following a breakdown while responding to a call. Additional maintenance needs are also being evaluated as part of its upcoming annual inspection.

The apparatus under consideration is Rosenbauer Stock Pumper #13. Rosenbauer is available through the Sourcewell cooperative purchasing program under Contract #082025-RSD. Preliminary 10-year financing information has been obtained from Choice One Bank, and the City has also consulted PFM Financial Advisors regarding the purchasing and financing process.

Because delivery is anticipated in late 2027, the final financing method would be determined closer to delivery. The City would also intend to sell Engine 12 and apply any proceeds toward the principal balance of the replacement apparatus.

This item is being presented for Council discussion and review only. No formal action is being requested at the work session. The proposed purchase will be brought back to Council at the next regular meeting for formal consideration.

CITY OF LINDEN

CITY COUNCIL AGENDA MEMO

MEETING DATE: September 14, 2026

AGENDA TOPIC: Genesee County Storm Water Management

To: Mayor and City Council

From: Ellen R. Glass, City Manager

Subject: Genesee County Phase II Storm Water Management System

INTRODUCTION/ HISTORY/EXPLANATION OF TOPIC

The City of Linden has participated in the Genesee County Phase II Storm Water Management System since 2001. The program assists participating communities with meeting federal and state stormwater requirements, including public education, illicit discharge detection and elimination, construction and post-construction requirements, and pollution prevention activities.

Council last approved the Fourth Amendment in March 2021 for the 2021–2026 permit cycle. That agreement expires October 1, 2026. Genesee County is now proposing the Fifth Amendment, which would continue the agreement through October 1, 2031. The overall structure remains largely the same, with the County funding 25% of the countywide program costs and participating municipalities funding the remaining 75% based on population.

The most significant changes in the new agreement relate to program costs and additional testing requirements. For Linden, the annual pooled program cost is projected to increase from approximately \$1,251 to \$1,871.

The new agreement also adds approximately \$270 per year for wet-weather testing related to the Total Maximum Daily Load for E. coli, which is a water-quality testing requirement for affected communities.

Linden's projected cost for Illicit Discharge Elimination Program activities is approximately \$3,480 for the new contract cycle after applying the City's remaining balance from the current contract period.

Overall, based on the current projections, Linden's estimated five-year cost would increase from approximately \$10,756 under the current cycle to \$14,184 for 2026–2031, an increase of approximately \$3,427, or 32%. Detailed cost allocations are included with the attached contract materials for reference.

The proposed agreement also adds Clayton Township and Grand Blanc Charter Township as participating municipalities and continues the regional approach to stormwater compliance through Genesee County.

Recommendation: For work session purposes this is discussion only. We will bring back to the regular meeting September 28, 2026 with the recommendation City Council approve the Fifth Amendment to the Genesee County Phase II Regulations Storm Water Management System Contract.

ELLEN R. GLASS, CITY MANAGER

FIFTH AMENDMENT TO
GENESEE COUNTY PHASE II REGULATIONS STORM WATER
MANAGEMENT SYSTEM CONTRACT

THIS FIFTH AMENDMENT TO CONTRACT, made and entered into as of the 1st day of October, 2026, by and among the COUNTY OF GENESEE, a Michigan county corporation (hereinafter referred to as the “County”), by and through its Drain Commissioner, as County Agency, and the TOWNSHIP OF CLAYTON, TOWNSHIP OF DAVISON, CHARTER TOWNSHIP OF FENTON, CHARTER TOWNSHIP OF FLINT, CHARTER TOWNSHIP OF GENESEE, CHARTER TOWNSHIP OF GRAND BLANC, CHARTER TOWNSHIP OF MT. MORRIS, CHARTER TOWNSHIP OF VIENNA, CITY OF BURTON, CITY OF CLIO, CITY OF DAVISON, CITY OF FENTON, CITY OF FLUSHING, CITY OF GRAND BLANC, CITY OF LINDEN, CITY OF MT. MORRIS and CITY OF SWARTZ CREEK (hereinafter referred to individually as a “Municipality” or collectively as the “Municipalities”):

W I T N E S S E T H:

WHEREAS, the County and the Municipalities are subject to the requirements of the Phase II Storm Water Regulations (the “Phase II Regulations”) published by the United States Environmental Protection Agency (“EPA”) in the Federal Register on December 8, 1999; and

WHEREAS, the Board of Commissioners of the County of Genesee has established the Genesee County Storm Water Management System (the “System”) to provide, among other things, storm water management services to the Municipalities pursuant to the provisions of Act 342, Public Acts of Michigan, 1939, as amended (“Act 342”), to enable the County and the Municipalities to comply with the requirements of the Phase II Regulations and to engage in other watershed management activities related thereto; and

WHEREAS, the County Drain Commissioner (hereinafter referred to as the “County Agency”) has been designated as the agency of the County in connection with the establishment, management and operation of the System; and

WHEREAS, the County, the Municipalities, with the exception of the Township of Clayton and the Charter Township of Grand Blanc which are added as parties and Municipalities to this Fifth Amendment to Genesee County Phase II Regulations Storm Water Management System Contract, and other units of local government in the County have previously entered into the Genesee County Phase II Regulations Storm Water Management System Contract, dated as of May 1, 2001, as amended by the First Amendment to Genesee County Phase II Regulations Storm Water Management System Contract, the Second Amendment to Genesee County Phase II Regulations Storm Water Management System Contract, the Third Amendment to Genesee County Phase II Regulations Storm Water Management System Contract and the Fourth Amendment to Genesee County Phase II Regulations Storm Water Management System Contract (as amended, the “Contract”), pursuant to which the County agreed to provide such services as are necessary (defined therein as the “Services”) to assist the County, the Municipalities identified in the Genesee County Phase II Regulations Storm Water Management System Contract, dated as of May 1, 2001, and each amendment thereto, and such other local units of government in complying with the requirements of the Phase II Regulations and in other watershed management activities, including, but not limited to, applying for NPDES permit coverage and planning for and implementing storm water discharge management controls (known as “best management practices”) with respect to the following minimum control measures: (a) public education and outreach on storm water impacts; (b) public participation/involvement; (c) illicit discharge detection and elimination; (d) construction site storm water runoff control; (e) post-construction storm water runoff control; and (f) pollution prevention/good housekeeping for municipal operations; and

WHEREAS, the Contract provided for a budget of not to exceed \$250,000 for the Services and set forth the manner in which the budgeted cost of the Services was to be allocated among the County and the Municipalities; and

WHEREAS, the Contract also provided for the creation of a Phase II Storm Water Advisory Committee (the Committee”), which consists of one representative from the County and each of the Municipalities; and

WHEREAS, the Committee has appointed three subcommittees with the following responsibilities to assist in the implementation of the best management practices: (a) the Public Education Program Subcommittee, with responsibility for public education and participation; (b) the Monitoring and Mapping Subcommittee, with responsibility for the illicit discharge program, which will identify and map all municipal discharges to open waters; and (c) the New Construction Standards Subcommittee, with responsibility for construction standards, redevelopment standards, oversight of all watersheds and the preparation of the pollution prevention program known as the Storm Water Pollution Prevention Initiative; and

WHEREAS, the County and the Municipalities desire to proceed with the foregoing implementation activities and any other activities required by the Phase II Regulations (hereinafter referred to as the “Implementation Activities”) and to provide a method for allocating the costs of such activities, and it is therefore necessary to amend and supplement the Contract in the manner hereinafter set forth.

NOW, THEREFORE, in consideration of the premises and the covenants of each other, the parties hereto agree as follows:

1. The cost of the Services to be provided by the County in connection with the Implementation Activities will consist of budgeted costs and variable costs.

(a) The budgeted costs shall not exceed \$200,000 per Fiscal Year (as hereinafter defined), which amount is hereby approved by the parties. For purposes of this Fifth Amendment to Contract, the term "Fiscal Year" shall mean the fiscal year of the County, which currently begins on October 1 of each year and ends on September 30 of the following year,. The County agrees to pay twenty-five percent (25%) of the budgeted cost of such Services each Fiscal Year and the remaining seventy-five percent (75%) of the budgeted cost of such Services (the "Local Share") shall be allocated each Fiscal Year to each Municipality on the basis of a fraction, the numerator of which is the population for such Municipality at the beginning of such Fiscal Year and the denominator of which is the population for all Municipalities at the beginning of such Fiscal Year.

(b) Budgeted costs referred to in subsection (a) above do not include Services relating to the illicit discharge elimination program ("IDEP"). Those Services relating to the IDEP shall be allocated to each Municipality as a variable cost. Each Municipality shall be responsible for paying for IDEP Services that are directly related to each Municipal Separate Storm Sewer System ("MS4") that is owned by such Municipality. During each year that this Fifth Amendment to Contract is in effect, the County shall prepare a statement for each Municipality identifying each MS4 owned by such Municipality and an estimated amount for each Municipality to comply with the IDEP. If requested by the Municipality, the variable costs for the IDEP will be payable in equal quarterly installments.

2. (c) Budgeted costs referred to in subsection (a) and IDEP costs referred to in subsection (b) above do not include wet weather testing costs for the permitted Total Maximum Daily Load (TDML) of E. coli. The budgeted costs shall not exceed \$20,000 per Fiscal Year (as

hereinafter defined), which amount is hereby approved by the parties. Those Services relating to the TMDL shall be allocated to each Municipality within the TMDL area using the same payment division as in subsection (a) for those Municipalities located within the TMDL area shall be responsible for paying for wet weather testing. Each Municipality agrees to pay the County its share, as set forth in Section 1, of the cost of the Services for the Implementation Activities, promptly upon receipt of an invoice for the same from the County Agency. The County Agency intends to send such an invoice to each Municipality quarterly on December 1, March 1, June 1 and September 1 of each Fiscal Year. The Municipalities shall not be responsible for their share of any budgeted costs for the Services in connection with the Implementation Activities that exceed \$200,000 in any Fiscal Year unless such additional costs shall have been approved by a majority of the members of the Committee. If such additional costs are so approved, each Municipality agrees to pay its share, as set forth in Section 1, of such costs promptly upon receipt of an invoice for the same from the County Agency.

3. The payments made by the Municipalities pursuant to Section 2 shall be used solely and only to pay for the Services for the Implementation Activities, and after payment of all costs of the Services as contemplated by this Fifth Amendment to Contract, any surplus remaining from the payments made by the County and the Municipalities for such Services shall be credited to the County and the Municipalities for charges for Services in the following Fiscal Year pro rata in accordance with the percentages set forth in Section 1.

4. All powers, duties and functions vested by this Fifth Amendment to Contract in the County shall be exercised and performed by the County Agency for and on behalf of the County unless otherwise provided by law or in this Fifth Amendment to Contract.

5. In the event that any one or more of the provisions of this Fifth Amendment to Contract shall for any reason be held to be invalid, illegal or unenforceable in any respect, such

invalidity, illegality or unenforceability shall not affect any other provisions hereof, but this Fifth Amendment to Contract shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

6. This Fifth Amendment to Contract shall become effective on April 1, 2021, after approval by the governing body of each Municipality and by the Board of Commissioners of the County and execution by the authorized officials of the parties; may be executed in several counterparts; and shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

7. The Contract, as amended and supplemented by this Fifth Amendment to Contract, is hereby ratified and confirmed, and shall terminate on October 1, 2031 unless extended by the parties.

IN WITNESS WHEREOF, the parties hereto have caused this Fifth Amendment to Contract to be executed and delivered, by their respective duly authorized officers, all as of the day and year first above written.

Kristyn, I spoke to Ms. Conn on 9/1/26. I advised her that I spoke to Sue Chamesky, who is the traffic engineering manager at the Genesee County Road Commission, about her issues with the speeds from in the County coming into Linden. Ms. Chamesky advised the County is not going to change the speeds in this area. I also advised Ms. Conn that we checked with Rowe and the price of a speed study would cost the city approximately \$5000 to \$6000. I gave Ms. Conn the contact information for Ms. Chamesky and she thanked me and said she will contact her.

Hello Stephanie,

I am reaching out to let you know that we had to delay the reseeding of the restorations due to the long drought we had this summer, with the fear being that the same thing would happen again with weeds growing in. I spoke with our engineers who are overseeing the final wrap up of the project and we plan to meet after Labor Day to go over everything that needs to be fixed or touched up from this work. I will update you after we have that meeting and have dates of when reseeding will take place.

Thank you,

8-24-26 City Council

There was an expectation to receive the May activity log in the June 22nd packet. A week ago, on 8-17, to assemble the 8-24 packet, I received an email attachment. The email said postings are at the Center for a Monday yoga class starting 8-24, as we discussed during the phone call on 8-3.

Postings at the Center are not an effective way to get the information out there.

Voting Days: May 5th: No Drums Alive, No Arthritis Exercise times 2, No Line Dance, No Mahjong

August 4th: No Drums Alive, No Arthritis Exercise, No Line Dance

For meals during early voting, the choices were to eat outside the Center or nothing. It's not surprising they chose not to participate.

I understand personal caregiving, since I live it. Throwing this back at me is not the solution. A backup instructor isn't too much to ask for. Videos are not the answer. Where has the instructor money gone for the canceled classes?

Moving on to the "Anonymous Bullying" comment, the reader turning around to a resident like she was speaking directly to her was a prime example of bullying.

We are not allowed to have a survey. The past surveys have only been for a few. They've not been announced, so we find out after the fact. Seems like pick and choose. September newsletter had open spaces.....

Early voting lunches.

Thank you to Chief Sutter, Don Grice, and Kristyn for the emails.

Loose Senior Center is becoming the second Linden Community Center, while the VFW Community Center remains empty.

The annex is NOT conducive to hearing/seeing during Council Meetings, Shaun Shumaker meeting, Serene Brain meeting, and Reading Books. There was talking in the hallway, wheeled carts coming and going from the room, cell phone videos playing continuously, etc. I can't imagine how voting deserves to be in OUR Senior Center.

What is it with Audio / Visual in this building? Get it fixed instead of putting us in the Annex. Get microphones, recording equipment, projectors, and security fixed. Get the voting moved out of OUR Senior Center.

March had at least 10 canceled classes. April had at least 24 canceled classes. May had at least 18 canceled classes, not including May 5, which was taken over all day by voting, canceling 8 classes. *I count at least 5 canceled.*

Police Reports: May and June do not include my 911 calls for the 913/915/919 N Bridge St calls.

~~There is no May Activity Log on the website.~~ The search engine does not give results for MOST of my searches. The June 22 meeting did not have a Loose Department Report on the agenda, and there was no May activity report.

SLPR will be offering pop-up fitness classes at Loose this spring and summer. The first session is scheduled for Thursdays, April 30, May 28, June 18 and July 16 from 7:00-8:00 p.m.

The City Manager also informed the City Council and as shown in the Loose monthly newsletter that programming would continue during the July 25 through August 2 Early Voting period and during the first week of August. The only exceptions were Drums Alive and Arthritis Exercise, which were cancelled by the instructor due to personal and professional obligations—not because voting displaced the classes. Lunch accommodations were also advertised during the Early Voting period. Lunch service was ultimately cancelled because there were insufficient registrations.

Election Day is August 4. The use of the Loose Senior Center as a polling location does not change its function as a senior center, nor does it mean that regular programming is suspended. Programming continues whenever possible through coordinated scheduling while the City fulfills its election responsibilities. Staff continues to coordinate facility scheduling and operations to support both the City's election responsibilities and the ongoing delivery of senior programming and services.

The Southern Lakes Parks and Recreation pop-up fitness classes referenced in your comments were SLPR programs requiring advance registration through Southern Lakes Parks and Recreation.

The July 20 report also noted that participants attending Movie Day provided positive feedback regarding the Annex's sound quality, visibility, and seating for that program.

Regarding the photograph of the parking lot taken at approximately 11:00 a.m. on Tuesday, July 21, the image reflects only a single point in time and does not provide a complete representation of the center's overall attendance or utilization. Participation records provide a more accurate measure of overall utilization than a single photograph taken.

No May log included

A single point in time where there was not a 10:30 class for Mark & not an 11:00 class for Line Dance

Thank you

- 1/3 No Scatter Flow Yoga
- 1/4 No Drums Alive, No Arthritis, No Line Dance

Monica,

Thank you for submitting your comments regarding the Loose Senior Center. After reviewing the matters raised concerning programming, instructor availability, audiovisual equipment, use of the Annex, elections, participation, and Southern Lakes Parks and Recreation programming, see the following response. These matters have been addressed through the Director of Senior Services and Community Engagement's regular reports to the City Council, as well as through City Manager updates.

It is important to note that the use of the Loose Senior Center as the City's voting location was established through formal action of the Linden City Council. On December 8, 2025, the City Council adopted Resolution No. 24-25, approving the relocation of the City's Early Voting site to the Loose Senior Center, and Resolution No. 25-25, approving the relocation of the City's Election Day polling location to the Loose Senior Center. These resolutions were approved following the evaluation of available facilities and determination that the Loose Senior Center was the most suitable location based on accessibility, security, facility layout, logistics, and compliance with Bureau of Elections requirements. Staff has coordinated senior center scheduling to minimize disruptions during Early Voting and on Election Day while continuing to support regular programming and services.

The March 16, 2026 report advised the City Council that the Hall A projector and DVD player were no longer operational and that replacement options were being evaluated. It also outlined the methods used to communicate programming information, including bulletin boards, the in-house television, Facebook, the City's website, and the monthly newsletter.

The April 22, 2026 report explained that cancellations of Arthritis Exercise classes resulted from instructor availability, scheduled time off, and other obligations. Alternative exercise opportunities were offered whenever possible, and staff assisted with classes to maintain continuity.

The May 6, 2026 report informed the City Council that Arthritis Exercise and Drums Alive had been affected by instructor family emergencies and obligations with their organizations. It also confirmed that the staff was obtaining quotes for replacement audiovisual equipment.

The July 20, 2026 report provided additional updates regarding audiovisual equipment replacement, recruitment of a yoga instructor, the return of Arthritis Exercise on July 14, and continued efforts to maintain and expand programming. It also reported that, as of July 20, the center had already served 1,615 Genesee County seniors, exceeding the previous full-year total of 1,601 participants.

Regarding your statement that no programming was offered on May 5 due to voting, the attendance records do not support that conclusion. Records document Food Pantry services,

Arthritis Exercise, Beginning and Intermediate Line Dance, Chair Yoga, the Book Nook, Coffee and Conversation with the Director, the Medical Loan Closet, Bingo, Garden Club, coffee service, newsletter pickup, and office visits. Overall, those records reflect 93 program and service sign-ins representing 82 participants, in addition to guest participation. While voting required coordination of room use and scheduling, the center remained open and actively provided programming and services throughout the day.

The City Manager also informed the City Council and as shown in the Loose monthly newsletter that programming would continue during the July 25 through August 2 Early Voting period and during the first week of August. The only exceptions were Drums Alive and Arthritis Exercise, which were cancelled by the instructor due to personal and professional obligations—not because voting displaced the classes. Lunch accommodations were also advertised during the Early Voting period. Lunch service was ultimately cancelled because there were insufficient registrations.

Re: Loose Monthly Report to Council-August 2026

In addition to our routine programming, please see the following updates from the past month:

- **Facility & Operations:**

- The audiovisual equipment in Halls A and B has been updated. The work was completed without any interruption to scheduled classes.
- Yoga Update 2:
 - Kristen, our new yoga instructor, held her first class on August 7 and it went very well and had great feedback. Kristen, will also be adding additional classes for the Monday at 2 yoga starting August 24.
 - Dotti returned to teach Wednesday Gentle Flow Yoga on August 5. She will also return on September 10 to resume teaching Chair Yoga.
 - Staff is currently exploring the possibility of amending the yoga class for Mondays to one class in the morning, then potentially resuming an evening yoga class on Mondays.
- As communicated last month, Abbie from the Valley Area Agency on Aging resumed teaching Arthritis Exercise classes amending the Drums Alive calendar date/time this is a permeant schedule change.
- Staff has been evaluating the current class schedule and has implemented a class size for Arthritis Exercise and Drum Alive classes would be offered on Tuesdays and Thursdays. This adjustment comes as we received feedback. This adjustment could increase participation opportunities in both programs:
 - Drums Alive capacity would increase from 20 to 32 exercise balls, creating 12 additional participant spaces.
 - Arthritis Exercise would have sufficient space to accommodate as many as 50 participants, an increase of approximately 20 spaces.
- As of July 30, 2026, while serving as an Early Voting (EV) location (7/27-31), the Senior Center has recorded 368 event sign-ins. Early voting has not disrupted regular programming or services, and the center has continued to serve the community without interruption. The Center also gained new members who initially entered the building to vote. Membership at the beginning of the week 1,626 and has increased to 1,634.
- On election day, Loose had a total of 80 event sign in on that day.
- On Election Day, the only programming changes involve Drums Alive and Arthritis Exercise. These classes were cancelled by the instructor because of personal and professional obligations and not because the facility is being used for voting.
- The Loose website has been updated to include a Director Communication page. This page provides easy public access to the same monthly departmental updates and communications that are included in the City Council agenda packets for the senior center. Making these reports easily accessible allows

individuals to stay informed about departmental activities, initiatives, operational updates, accomplishments, and upcoming projects.

- The Cardio/Aerobics instructor is currently on leave of absence due to an unforeseen emergency. A volunteer has offered to lead the class when available to help maintain programming continuity. Participants have been notified of this temporary change. The instructor has notified she will be back September 2.
- Linden Eagle Scout Troop 111 recently reached out regarding a service project to build and install a Little Free Library. Staff is working with the Scouts to coordinate and complete the project.
- The mural for the Annex is installed.
- We also received an update from the Mass Transportation Authority regarding the Van. MTA expects to receive the vehicle this month and will then need approximately two weeks to process the necessary paperwork. Loose is expected to receive the vehicle sometime in the coming months.
- Tai- Chi instructor was on vacation and will be back this week.
- The Loose annual community engagement survey is in the process of being updated for this year publishing.
- From the participants from the July Coffee & Conversations with the Director, we have initiated the suggestion of Hat N Chat, a scheduled time for people to come and have an uplifting conversations with other individuals.
- We continue to seek a facilitator for the Grief Support Group and have reached out to an organization to gauge interest.
- Loose will continue to host the walking and pickleball event for the senior winter games, with partnership with Linden Community Schools for using the Multipurpose building.
- Jim Mengi from Dementia Friendly Communities has reached out and is working with the schools to put together a presentation.
- The American Red Cross will be here in September for a presentation focused on seniors for when emergency's happen. This was a program suggestion from a member.
- Paul Ott will be bringing a square dance series to Linden, along with special evening events during September and October. These events will be open to the public. Paul has previously hosted an event at Loose and has taught classes through Southern Lakes Parks & Recreation.
- Due to the length of the waitlist for the Mahjong class, the volunteers have agreed to host another lesson for next 8 people on the waiting list. That is set to start August 25.
- Blue Lakes Charter continues to implement a fuel surcharge due to rising fuel costs.
- Loose continues to make its facility available for rental by community members for special events, as well as by homeowners' associations for meetings.

- **Genesee County Senior Services:**

- Genesee County Senior Services has completed their annual contract audit for Loose. The results of the audit found no deficiencies, no compliance issues, and no areas of concern that were identified.
- The Board of Commissioners (BOC) at the Human Service Committee meeting approved the senior millage budget for full BOC approval in the coming week. All millage-funded senior centers will receive a 3.5% increase (no restrictions). The 4 programs that have significant wait lists will receive an increased dollar amount based on their unit rate and the number of individuals to be served on the waiting list. The MSU study failed unanimously. The County staff will be working on a scope of service for a social worker in the centers, and an RFP will be released in a couple of months. Then compare that to hiring a social worker in-house as a County employee.

- **Community Events & Partnerships:**

- **Loose Car Show:** was a great free event for the community.
- **Senior Day at the Genesee County Fair:** Wednesday, August 26, 9:00 a.m.- 12:00 p.m.
- **Community Foods** continues the fourth Thursday 3:30–6:30 p.m.- Resumes August 27
- **Coffee & Conversation with the Director (August 18):**
- *Five members attended. Attached is the list handed out by 4 of the attendees.*
- **Linden Library Board** hosted a cardmaking event for the public to make cards and send the cards to seniors.
- **Genesee District Library Partnership**
Expanded collaboration is underway with upcoming programs (pre-registration required through GDL):

- History of Tiger Stadium, Monday September 28-1:00 p.m.

Recent Programs:

Wildlife Rehab - 21 attendees

All recent programs received wonderful feedback and attendees are enjoying all the special programming in partnership with GDL.

- **Travel:**

- Upcoming:
 - Bay City Trip- August 21- Sold Out.
 - Tigers Game- August 26- Sold Out.
 - Black Hills and Bad Lands Trip (Premier)
