2026 FALL NEWSLETTER

It's been a busy election year, with one more on the horizon! Recently, staff took the opportunity to recognize & thank the amazing, dedicated individuals who help make our elections possible. Election workers play a key role in our community & democracy. From assisting voters, to helping ensure election procedures are followed, their work requires time, patience & a strong commitment to serving voters. FUN FACT...some of our workers have been with us for over 10 years! Regardless of how long they have served however, each are appreciated & contribute to the ethical operation of our elections. We are so fortunate to have such a group of honest & dedicated election workers who voters can trust. Their time, dedication & willingness to serve are valued. When you see them at the polls in November, please give them a smile & a thank you!

LINDEN MILL RECONSTRUCTION PROJECT UPDATE

We have reached the mid-stage milestones of the Linden Mill Project! If you have passed by recently, you have likely noticed major external updates, including the new elevator/stair tower and newly installed windows. Behind the scenes, structural and interior progress is moving quickly, including new interior staircases, foundation work for the concrete front porch, and footings for the new dumpster bay. Thanks to extensive interior repairs, the building is now significantly more structurally sound. The Linden Mill remains on track for an early winter completion!

SEASONAL ITEMS

Hydrant Flushing:
October 5 - October 10 from 7:00 a.m. - 4:00 p.m.

The Department of Public Works will conduct seasonal fire hydrant flushing. This removes sediment from water mains & allows inspection of hydrants to ensure proper operation. During flushing, water may become cloudy, brown, or reddish due to stirred-up silt & iron. The water is still safe for use. To clear discolored water:

- Run cold-water faucets until water is clear
- Avoid using hot water to prevent staining your hot water tank
- Avoid washing clothes. If needed, run a small cycle for dark clothes
- For stained clothes, keep wet and rewash with a stain/rust remover

KNOW THE CODE NEW

The Linden City Council recently adopted Ordinance No. 429, to ensure our sidewalks & streets remain safe for everyone! The new rules apply to bicycles, electric bicycles, scooters, electric scooters, mopeds, skateboards & hoverboards. To ensure safety, riders must follow these guidelines:

- Yield to pedestrians on sidewalks & crosswalks at all times.
- Control your speed on sidewalks based on foot traffic & conditions.
- Ride with traffic flow when you are operating on a roadway or bike lane.
- Use a path if a usable, designated path is provided next to the road.
- Do not ride under the influence of alcohol or controlled substances.
- Use lights at night including a front white lamp and a rear red reflector when riding between a half-hour after sunset & a half-hour before sunrise.
- Park responsibly without blocking sidewalks or pedestrian traffic.

(Full Ordinance is available at City Hall)
