(Do not use treated water for nursery, newly seeded turf, or greenhouse irrigation without specific label review.)

LIVESTOCK WATERING:

☐ No restrictions ☒ **Do not** water livestock until: 9/13/25

FISHING:

There are no fishing restrictions or fish consumption restrictions required by federally approved aquatic pesticide labels.

LIST OF CHEMICALS PERMITTED FOR USE AT THIS SITE:

Please list the chemical product/active ingredient as well as the specific chemical brand name that will be used.

AQUA NEAT

PROPELLER

The chemicals used for Aquatic Nuisance Control are registered by the U.S. Environmental Protection Agency and the Michigan Department of Agriculture and Rural Development. The potential for damage to fish and other non-target organisms is minimal provided that the product is used as directed on the product label and the permit. To minimize the possible effects on health and the environment, the treated water is restricted for the above purposes.

For permitting information contact: Department of Environment, Great Lake, and Energy, Water Resources Division, PO Box 30458, Lansing, MI 48909-7958, telephone: (517) 284-5593, e-mail: EGLE-WRD-ANC@michigan.gov
