Bulk

Beef Finisher is a high-energy pelleted ration designed to maximise growth rates and finishing weights prior to sale or processing.

The increased energy density supports fat cover and carcass finish, while moderate protein levels maintain efficient muscle deposition without excess protein intake.

Formulated for rumen stability in high-grain feeding systems, Beef Finisher includes a rumen buffer to help reduce the risk of acidosis and support consistent intake.

Age Guide

Key Benefits

- High energy density for finishing performance.
- Supports efficient weight gain and carcass quality.
- Buffered for rumen health in intensive feeding systems.
- Optimised starch inclusion for safe energy delivery.
- Palatable pellet prevents selective feeding.
- Suitable for feedlot or supplementary feeding programs.
- Medication and antibiotic free.

Feeding Directions

- Harwood Grains' Beef Finisher is designed for weaners 10 months of age or older.
- Beef Finisher is suitable for feeding in conjunction with unlimited forage or a minimum inclusion of 100g of fibre per head per day.
- Offer free-choice access to fresh and clean water at all times.
- Introduce Beef Finisher at 0.25kg per 50kg liveweight on day one. Increase by 0.1kg every three days to a maximum of 1kg per 50kg liveweight for cattle.
- Keep feeders clean to reduce risk of spoilage.
- Feeders should be set at throat height to reduce wastage.
- Place feed and water sources away from each other to keep water clean.

Typical Nutritional Analysis (per kg fed)

NUTRIENT LEVELS	
Metabolisable Energy (ME) Ruminant	12MJ
Crude Protein (min)	14%
Crude Fat (max)	2%
Crude Fibre	10%
Starch (typical)	40%
NDF (typical)	20%
Urea (max added)	0.50%
Salt (max)	1%
Calcium (min)	1%
Phosphorus (min)	0.30%
Magnesium (min)	0.30%

Ingredients selected from:

Cereals (and co-products), Legumes (and co-products), Vegetable Protein Meals, Calcium Carbonate, Salt, Molasses, Urea, Magnesium Oxide, Monocalcium Phosphate, Rumen Buffer, and Harwood Grains Cattle Vitamin and Mineral Premix.
