

Introducing Gallagher

Your Superannuation

RGF Consulting has appointed Gallagher, one of Australia's largest employee superannuation and insurance consultants, to provide support to all employees in relation to their superannuation

How can Gallagher help you?

Gallagher can guide you through a range of financial topics and support you to build up your financial knowledge and understanding.

Gallagher is here to help:

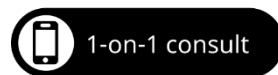

- Answer your general financial questions, relating to your super and insurance
- Provide Individuals on-site or virtual consults with our team of specialists
- Keep you up to date with e-newsletters
- Expand your financial knowledge with webinars and seminars
- Make the most of your financial potential now and in the future

Better Super

Gallagher takes a **five step approach to Superannuation** and encourages you to engage with your super to be proactive and make sure you are on track for your retirement goals.

- A healthy, growing account balance
- A sound approach to investing
- The right beneficiary in the event of death
- Insurance to cover unforeseen risks
- Building funds for retirement adequacy

Book in for a complimentary 15 min Teams consult with a Super expert if you wish to further chat about the RGF Super plan

Let's chat!

If you have any questions about the RGF Super Plan, get in touch with one of Gallagher's super specialists.
