11

MUSLIM SOUTHEAST ASIA

Pray for our ongoing daily ministry of emergency relief and stability activity among earthquake victims and impacted communities. July also brought heavy rain, making living conditions harder for families who lost homes. Many are still without jobs or means of income as businesses repair buildings and try to re-open.

5

MUSLIM SE ASIA

Praise the Lord for the intern from Taiwan who served with us from May through July. Pray also for God to use two short-term teams and two three-month interns who arrive this month and in September.
