INTERCEDE & SEND

NOVEMBER 2026

1

PHILIPPINES

Mitch S is flying to Timor Leste tomorrow to join the team there. Pray for a smooth passage thru immigration and a safe trip to Dili via Bali. Pray for her initial adjustments and settlement as she begins to learn the language and the culture of the people.

8

SEND NORTH

Winter has come to the far North, and with it, darkness. Travel between villages usually requires flying, and weather frequently affects schedules and plans. Pray for safe travel, favorable weather, and smooth coordination for all our workers.

2

SPAIN

David Neufeld

As we establish the new church in Uribe Kosta, we are seeking to involve all members to be a part of one great vision God has given us for a cluster of churches. Pray for wisdom as we lay the foundation for serving, leading, and creating community.

9

MUSLIM SE ASIA

Pray for the Ummi team to connect well as they hold a small clinic at a live-in madrasah, an Islamic school for boys. Also, ask the Lord for open hearts and excitement as we hold a year-end Town Hall to present the accomplishments for the year and seek feedback from the community.

3

CANADA

Pray with us as more than 30 churches engage in the Global Missions Pathway, equipping churches to strengthen their global engagement. Ask the Lord to deepen this momentum and prepare the way for Concerts of Prayer across Canadian regions by year-end, uniting his people in prayer for the nations.

10

VIETNAM

Pray for Mark & Rebecca as they continue their language studies. As Mark leads the English club, pray for many open doors to share the good news. Pray for Rebecca to have wisdom and opportunities to serve well as she engages more deeply in her work with the blind and visually impaired.

4

ASIA REGION

Abigail

As SEND expands into new geographic ministry areas in Asia, pray with us that the Lord will provide just the right combination of personalities, work experience that will translate to visas, leadership to provide some structure for the team, and ministry experience to open doors in new unreached people groups and areas.

11

THAILAND

Timothy & Terris

Our visa application has entered the final stage, and documents have been sent to the consulate for approval. We hope to receive the approval document and get the visa this month. Pray also that we will stay healthy as we move into colder weather where we are more susceptible to respiratory infections.

5

JAPAN

Joel & Elaine Loewen

Tokyo —Today we meet with the HUDDLE, the SEND missionary team of eight that we lead. Pray for encouragement for those in language study and those just getting started in ministry. Pray for us all to experience joy in sharing our hope in Jesus.

12

EURASIA

Ask the Lord to continue to direct our steps in the Transcaucasia Region and specifically as our team develops in Georgia. Pray for unity as the team works and grows together, and for wisdom in determining which opportunities are most suited to the team.

6

BULGARIA

Gisli & Norah Jonnson

The counselors who have been trained in our program play a significant role in their clients' lives. Pray for those counseling and caring for a 20-year-old abuse victim, a 13-year-old struggling with anxiety after bullying, and an adopted girl who struggles with being accepted—just a few examples of their current client base.

13

GLOBAL CHINESE MINISTRIES *Jonathan & Claire*

God sustained our church of 15 adults for the past two years and is opening a new phase in January as we merge with another church, bringing a Taiwanese pastor and doubling the size of the congregation. Pray for logistics, clear communication, and unity that will show Christ's love and light.

7

SEND EUROPE

Philip & Lynn Jackson

Europe Regional Director, Philip, speaks at the missions' conference at Grace Gospel Church in Manila, Philippines, through the 15th. Ask the Lord to use his messages to challenge and encourage God's people to send out more workers. Pray for refreshment for the global workers attending through fellowship and workshops.

14

CROATIA

Kenny & Brittany Beacham

As we settle in Slavonski Brod, pray for us to build relationships with our local church partners and community. We are encouraged by new faces attending the Alpha course. Ask God for unity, wisdom, peace, and spiritual protection as our three families work together to share the gospel.

15
PHILIPPINES

Pray for Sarah as she is deployed today to a ministry in a predominantly Muslim country in South East Asia. Ask the Lord for a good adjustment and transition as she lives among the local people group, and pray for meaningful interactions that lead to significant connections and deep relationships for the gospel.

16
RUSSIA

Pray for MN and the church plant in Western Russia as they have reached their one-year mark last month and are beginning new outreach efforts. Ask the Lord to bring continued growth, wisdom, and fruitful new ministries.

17
EURASIA

Pray for the team that is doing preliminary research and preparation for an exploratory trip to Tajikistan to have clarity and discernment as they seek to understand the opportunities and needs in this region where SEND could partner.

18
MUSLIM SE ASIA

Today through November 21, our team will meet to review all our ministry programs, share highs/low, and cast vision for 2027. Pray for unity, bonding, and wisdom as seven teams connect: Mapa, Bapa, Campus, and Ummi, as well as agricultural, administrative, and medical resource teams.

19
THAILAND
Dadai & Sammy

Ask the Lord for wisdom for the Mekong Community Transformation Center (MCTC) as we train seven Lisu young people from the Shan state in Myanmar about Kairos, community development, and sustainable agriculture. Pray also for the visiting Filipino short-term team to catch a vision for North Thailand, Burma, and Laos.

20
JAPAN
Sherlock & Michelle Lai

As we hold a monthly craft class at Tsubamesawa Church, pray that these new friends will feel comfortable, open up, and sense God's love, that church members will build genuine, loving relationships with them, and that newcomers will want to come to future church events or Sunday services.

21
MUSLIM SE ASIA

Due to earthquake damage, the Mapa Center is officially closed. As the team prepares next steps and makes long drives to the community to meet with new believers among the fishermen and to facilitate numerous Bible studies, ask God to lead in determining how best to support ongoing ministry in this area.

22
GEORGIA

Praise God that Rick K is discipling two international students who trusted Christ and were baptized last July. Pray for these students to continue to grow in their faith and to share their faith with others. International students from many limited access countries come to Georgia to study.

23
CENTRAL ASIA

Pray for the many new believers in this church plant to grow deep roots in the Lord and for JG and the church family to disciple and train well.

24
CROATIA
Brian & Debby Stout

Pray for God to capture the hearts of youth and for total surrender to a vibrant relationship with Jesus, not traditional rituals. Pray for our youth in Zadar as they plan their first ever youth conference to be held here next year. May the Lord capture the hearts of Croatian youth!

25
THAILAND

Pray for Christians facing opposition in their communities. Some experience isolation and may be excluded from community activities, festivals, and traditions. One group in a Bible study is experiencing discrimination and denied help at a local healthcare center because they are Christians. May they remain faithful and be good examples.

26
SEND NORTH

Pray for softened hearts among teens throughout the communities we serve. Many children are open to hear about Jesus but the teen years bring new challenges and distractions: school activities, sports, relationships, social media, and other influences compete for attention, making it harder for them to hunger for God.

27
SLOVENIA
Ptuj Team

Today, as we sip tea and creatively make table or door wreaths at our advent wreath workshop, we also share the real meaning of Christmas with the women who come. Ask the Lord to bring exactly those he wants, for opportunities to share deeply around the tables, and for all the logistics.

28
ROMANIA

As our youth group holds a yard sale today, pray for them to put into practice what they've learned about stewardship, finances, and generosity. Pray also for the young adults meeting weekly to prepare for ministry and pray for one another. May they depend on the Lord and do all for his glory.

29
SPAIN
Franklin & Kaitlyn Sequera

Pray as we continue to explore sending our first Spaniard to work with one of our teams in Spain. Ask the Lord also for wisdom in new opportunities we are considering opening in Spain: local ministries like Amar, new cities such as Granada, and Muslim ministry.

30
UKRAINE

Pray for the SEND workers who continue to serve faithfully amid the ongoing war. Pray for the Lord's protection over them and their families, strength and wisdom each day, and peace as they serve where he has placed them.
