INTERCEDE & SEND

OCTOBER 2026

1

INDONESIA

IC's current visa expires today. As she returns to the Philippines to pursue a new visa, pray for refreshment, physical rest, and time to encourage other believers that God may be calling to global mission. Ask the Lord to smooth the way to the best visa pathway for her future ministry.

8

THAILAND

Pray for the young people who will join Adventure Camp in Isaan on October 8-10, both believers and not-yet-believers. Several of our church youth will attend: three of them are new believers and another has been helping teach Sunday School for older children.

2

CENTRAL ASIA

Pray that the three short-term teams coming to Central Asia this fall will learn much, listen well to God, and hear from him how this trip may impact their future involvement in his kingdom work. May God use them to be the fragrant aroma of Christ to everyone they meet.

9

BULGARIA

Gisli & Nora Jonsson

Pray for the Bulgarians we have trained: six are operating as counselors and have a large range of clients, people with addictions, depression, OCD, trafficked victims, anxiety, and relationship issues. Those that the Son sets free are free indeed! Another diploma training will be held this weekend.

3

MUSLIM SE ASIA

It's intramural season on campus in October with many events and interactions with students, as some classes are canceled. This is followed by a one-week mental health break. Pray for the campus team to connect well and develop deeper relationships during all of these fun events.

10

PHILIPPINES

Pray for the short-term team leaving for a cross-cultural trip to Central Asia. Ask the Lord to bring new perspective to this team and one that went in September on what he is doing among unreached people in the region, and challenge them to seek how God is calling them.

4

SEND EUROPE

Philip & Lynn Jackson

Praise God for how Vision 203 is growing our dependence on him in prayer including the 203 days of fasting and prayer and the daily 2:03 pm reminders. Let's ask God to increase that dependence and trust so that prayer is the driving force that leads us toward fulfillment of the vision.

11

ROMANIA

Abigail Niles

Teammates from SEND Romania will be going on home service and others will be coming back. Pray for our team as well as for the MKs as we adjust to transitions. Pray also for a short-termer who arrived October 3 to be attentive to the Spirit and his leading in her life.

5

SEND NORTH

Pray for the young adults beginning the Tanalian Leadership Center gap year program today. Ask God to remove spiritual obstacles, strengthen their commitment to follow Christ, and use this year to deepen their faith and prepare them for future service.

12

MUSLIM SE ASIA

We recently trained a dedicated group of community volunteers to measure blood pressure and check vital signs at our clinics. Pray for these volunteers to be empowered as they serve alongside our team, inspired to teach others how to manage their own health, and to build relationships for Jesus.

6

CANADA

Pray for wisdom and favor as Global Missions Pathway expands through a Mobilized Church workshop in Cambridge, follow-up with Launchpad participants exploring global service, and development of Concerts of Prayer across Canada. 25

While on home service in the US, God laid on our hearts to focus on helping college students understand more about God through learning English. Recently Mark was asked if he could take a coordinating role for an English Club he already attends. Ask the Lord to use this new role.
