

Making a difference in this generation

Youth With A Mission

Over 10 years of equipping individuals to live with purpose and bring hope to communities across Saint Lucia, the Caribbean, and beyond.

WHO WE ARE

Youth With A Mission (YWAM) Saint Lucia is part of a global movement of Christians from

many cultures and backgrounds who are dedicated to knowing God and making Him known.

At YWAM, - pronounced "Why-Wham" -, we are passionate about equipping people of all backgrounds to live with purpose, serve others, and bring hope to communities—motivated by the love of Jesus Christ and committed to helping Christians live out their calling as the salt of the earth."

Our vision is to see Saint Lucia become a launching place where people from many nations are trained and sent to make a difference in the world.

WHAT WE DO

YWAM Saint Lucia partners with community organizations, institutions, churches, and individuals to serve and equip people through:

- ❖ Character development
- ❖ Community outreach and compassion ministries
- ❖ Mentorship/coaching and leadership development
- ❖ Evangelism and discipleship
- ❖ Training programs such as Discipleship Training School (DTS)
- ❖ Missions and sharing volunteering opportunities in the Caribbean and globally.

All our staff at YWAM are volunteers who generously give their time and energy to keep our campus and mission alive and serving, Trusting God for the rest.

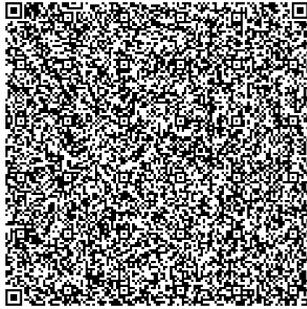

One of the greatest joys of YWAM is serving alongside people from many nations who share a passion to see this generation transformed.
