

# WHAT WE BELIEVE

- That the Bible is God's inspired and authoritative word
- That people are created in God's image
- That although all have sinned and come short of God's glory, He makes salvation possible through the death on the cross and resurrection of Jesus Christ
- That repentance, faith, love and obedience are fitting responses to God's initiative grace towards us
- That the Holy Spirit's power is demonstrated in and through us for the accomplishment of Christ's last commandment
