Dear Ricky,

This is Pamela J. Laffitte, candidate for Alabama Secretary of State. I'm going to cut to the chase.

***I need you to chip in \$50 today to help me protect voting rights in our state.***

The right to vote, the most sacred practice in our democracy, is under fire. There is no sugar coating it. Our state has been at the center of recent efforts to make accessing the ballot box even harder. This isn't a Democrat vs. Republican issue.

I believe that making voting more secure and accessible by implementing automatic voter registration, curbside voting, and more is just commonsense.

***Your \$50 donation will go directly to the fight to protect our right to vote.***

Recently, the Alabama Secretary of State's Office **failed to publicize a change in Alabama's Felony Disenfranchisement Law** that made approximately 60,000 voters ineligible to vote. That's more people than we have in over two thirds of the counties in Alabama.

It's simply unacceptable. Alabama deserves better, and [we can do better.](#)
