This is an opportunity to design and lead a dynamic after-school experience that reflects the heart of St. Anne. The Director will create and implement a comprehensive program model that integrates enrichment activities, homework support, and virtue formation, transforming extended care into a valued extension of the school day. This role is ideal for someone who is self-directed, creative, and passionate about Catholic education — someone who sees an after-school program not as what happens after school ends, but as another chapter in a student's formation. EVANGELISM IS SHARING THE GOOD NEWS OF THE GOSPEL WITH OTHERS SO THAT THEY MIGHT PLACE THEIR FAITH IN JESUS.

Key Elements of Evangelism

Evangelism to a Catholic is the joyful proclamation of Jesus Christ and the Good News of salvation, accomplished primarily by living as a "missionary disciple". Rather than just aggressive preaching, it is a way of life that involves both word and loving action to invite others into a relationship with God .

The Great Commission: Catholics view evangelism as an essential command from Jesus to "make disciples of all nations". It is not considered optional, but rather a natural overflow of experiencing God's love and mercy .

Evangelization of Culture and Society: It goes beyond individual conversions to include bringing Christian values—such as charity, justice, and the dignity of human life—into daily interactions, workplaces, and the broader society.

The New Evangelization: Championed by recent popes, this is a specific call for Catholics to re-evangelize traditionally Christian regions and individuals who have drifted away from the faith due to growing secularization.

How Catholics Evangelize

Catholics are encouraged to be "rivers of grace" rather than "reservoirs". Practical ways this is lived out include: **Personal Witness:** Leading by example through kindness, charity to the poor, and living an authentically Christian life.

Open Conversations: Sharing personal experiences of how Christ and the sacraments have impacted their lives.

Public Faith: Making faith visible through daily habits (such as praying before meals) or participating in the community life of your parish.

Invitation: Inviting friends and neighbors to attend Mass or parish events.

Evangelization happens when the word of Jesus speaks to people's hearts and minds. Needing no trickery or manipulation, evangelization can happen only when people accept the Gospel freely, as the "good news" it is meant to be, because of the power of the gospel message and the accompanying grace of God.
