A.K.A. How to Be A Legend In The Bay

TEE TIME VIRTUAL GOLF
YOUR SLICE LOOKS BETTER INDOORS

Shoes Please! (We'll be taking your outdoor shoes at the door!)

- Clean indoor shoes only.
- Golf shoes are cool too—but no spikes (we're golfing, not aerating the carpet).
- Socks are totally fine.
- No bare feet though—this isn't a beach bar.

Be Courteous

- Treat fellow golfers the way you'd want your caddy to treat you: with respect, patience, and maybe the occasional cheer.

Have Fun Responsibly

- Swing big, laugh loud, and make memories—but keep it safe and enjoyable for everyone.

 Break the rules, and you'll be promoted to Bay Caddy—fetching drinks, teeing balls, and telling everyone how great their swing looks.
