IRRIGATION LOAN PREPAY OPTION

As you may know, the member vote authorized the Board of Directors to secure a loan to install a new irrigation system. Beginning with the April 30, 2026 statement, full and junior member dues will increase \$25/month, and \$75/month of golf member dues will be transferred to the Capital Improvement Fund to pay off the loan.

The Board is offering a Prepayment Option for Full Golf, Junior Executive, and Member Plus memberships. Eligible members may prepay \$3,200 now and receive a \$75 credit beginning on their April 30, 2026 statement for the next 48 months—a \$400 savings. In addition to your personal savings, the prepayment directly reduces the amount the club would need to borrow, which lowers the interest paid on loan.

If you would like to participate in this Prepayment Option, please stop by the office or check your email for the prepay form, complete and submit payment of \$3,200 by check or credit card by **April 25, 2026**.

If you have questions, please contact Maria Riegel at maria@fcccgolf.net.

We sincerely thank you for your continued support of Franklin County Country Club and for helping make this important improvement to our course possible.

Sincerely,

FCCC Board of Directors & Management
