

Pool Usage Information

The guest policy for the pool is as follows:

To help keep capacity and seating at a comfortable level, there is a limit of 5 non-member guests per membership when coming to the pool. Groups of more than 5 guests must be prearranged with Trinity, our Event Coordinator, who will be able to review the schedule for availability. This also helps with staffing for the day.

The guest fee is \$5 per individual for the pool area.
(The pool area includes anywhere inside the pool fence.)
