AN UPDATE FROM YOUR FCCC GOLF COURSE SUPERINTENDENT DAVID THONENEN

I wanted to provide an update as to what will be happening around the course this month:

- The cart path from 14 tee to 15 tee will be replaced. We will have a more convenient way to walk to 14 green and a wider cart path at the halfway house. The cart path project will begin the 1st week of September.
- We will be increasing the flow to the north water well, which pumps 50 -100 gallons per minute, leading to an additional 72,000 gallons per day.
- The irrigation project will begin the 2nd week of September. The pipe will be arriving the week of the 10th via 15-16 semi-truck loads. There is going to be a lot going on at FCCC this month, so please be patient with us. This is an exciting time for the club!
- Finally, please remember to fix your ball marks.

Thanks,
David Thoenen

FORTUNE FRIDAY

**Friday
September 18th
Drawing @ 7:30!**

For those not aware, our monthly Thirsty Thursday has switched to Fortune Friday!

Along with this change, we will be getting rid of our \$1,500 cap and combining the pots!

To be eligible to win, you must have paid your \$5 prior to the drawing.

If you have paid your \$5 and are present, then you are eligible for the entire pot. If you have paid your \$5 but are not present, you are eligible to win half of the pot!

Respect Your Course

Please be sure to adhere to the following:

- **Fix ball marks on the greens and use sand bottles to fill divots in the fairways!**
- **Do Not Litter!**

**This includes: straw wrappers, bottle caps, snack wrappers and cigarette butts.*

- **Stay out of the rough and pay attention to any Cart Restrictions for the day!**

**This helps keep our course healthy throughout the year.*

Thank you for helping keep your course & club in good condition!
