

WHO WE ARE:

Founded in July 2024, Mansfield Mayhem Softball was formed to provide young athletes with consistent, year-round training and development opportunities while establishing a competitive 12U travel softball program in the Mansfield community.

WHAT WE DO:

Mansfield Mayhem Softball is more than just a team—it’s a place where young athletes grow both on and off the field. We provide fundamental and advanced training in a competitive, character-driven environment that fosters respect, teamwork, and personal development. Our focus is on strengthening our softball DNA and reinforcing a strong “we” culture.

WHERE WE TRAIN AND COMPETE:

Mansfield Mayhem Softball trains and practices at the Mansfield Little League Complex and the North-Penn Mansfield High School softball field, which serve as our home locations. During the colder months, the team transitions to indoor training at the Kelchner Fitness Center on the Commonwealth University–Mansfield campus. Mansfield Mayhem Softball competes in tournaments throughout the spring, summer, and fall seasons.

HOW YOU CAN SUPPORT MANSFIELD MAYHEM:

Sponsorships help cover equipment and uniform costs, tournament entry fees, and general operating expenses for the Mansfield Mayhem Softball team.
