

Community Spirit Shines at the Koori Night Market

Our latest Koori Night Market was a resounding success, filled with deadly talent, and incredible community energy. From the moment things kicked off, the atmosphere was buzzing. It was fantastic to see so many locals heading down to support our stallholders, picking up unique handcrafted items and celebrating our vibrant culture together.

Community Day & Barbecue Recap

A huge thank you to everyone who joined us at the Robinvale Leisure Centre for our Community Day & Barbecue! It was a fantastic afternoon filled with great food, family fun, and meaningful connections.

MVAC Employee Spotlight

Welcome Lata Fuavao!

We are thrilled to introduce the newest member of the MVAC team, Lata Fuavao, who joined us earlier this year as a Family Services Case Worker.

Lata is a Tongan woman from Robinvale, having lived in our community for most of her life. Her deep roots in the area and her passion for helping others make her a wonderful addition to our Family Services department.

Professional Background

Lata recently joined us on January after completing her Bachelor of Social Work. Her dedication to this field stems from a lifelong desire to support people in any way she can.

Motivation & Values

What drives Lata? It's simple: giving back. She is deeply motivated by her loved ones and a desire to support those who have championed her throughout her life. Her goal at MVAC is to continue strengthening her skills while helping clients achieve improved outcomes and more stable futures.

When she isn't at the office, you'll likely find Lata:

- Lost in a good book or busy writing.
- Enjoying some downtime with video games.
- Spending quality time with her family and friends.

The 2026 Census: Save the Date!

With the 2026 Census approaching, there is a lot of new information that would be very relevant for the MVAC community. The next Australian Census will take place on Tuesday, 11 August 2026.

The Census is vital because it helps plan local services that our community relies on, including healthcare, schools, and transport. The ABS is currently looking for over 30,000 people across Australia to help deliver the Census.

If you're interested in a flexible, temporary role that makes a real difference in our region, you can find more information or apply at census.abs.gov.au/jobs
