Congratulation MVAC Early Learning!

MVAC ELC was nominated for The Aunty Rose Bamblett Koorie Early Years Legacy Award category! We are being recognised for putting children and families first, through culturally safe learning where Aboriginal culture is part of everyday life. Together with families, Elders and community, we help children learn, grow and feel proud of who they are. 🟡❤️💜

Staff Spotlight: Nick Walsh

SAAP Caseworker, Housing

👋 Welcome to MVAC, Nick Walsh!
Our new SAAP Caseworker in the Housing team. Nick is Robinvale born and bred, but after five years teaching English in Barranquilla, Colombia, he considers himself part Colombian (ask him about the accent!).

Nick helps people find a place to live, especially those at risk of harm or homelessness. You might also know him from the Robinvale Recreation and Aquatic Centre, where he works as a Fitness Instructor and Personal Trainer.

"I hope to be of service to the people of Robinvale and help it become an even more amazing place to live."

FROCKTOBER: WEARING IT FOR WOMEN'S HEALTH

On Tuesday 27 October, MVAC staff got into Frocktober by wearing their favourite outfits in support of Ovarian Cancer Awareness Month. The team came together over teal cupcakes and fruit platters to show their support. Ovarian cancer impacts women from all walks of life. Raising awareness can help encourage earlier conversations, support and access to information.

Next time you visit your GP, have a conversation about early screening and women's health checks. Talking with your doctor about screening options can help you stay informed. Wear what makes you comfortable. Start a conversation. Show your support.

MVAC Careers Expo

On Thursday 22 October, the Robinvale Community Arts Centre was buzzing for the MVAC Careers Expo.

Young people, families and job seekers met local employers and services, including the CFA, Ambulance Victoria, Mallee Family Care, Headstart Apprenticeships and Traineeships, the Australian Electoral Commission and our own MVAC teams.

Visitors tried virtual reality headsets, picked up goodie bags and found out about jobs, training and apprenticeships close to home. A big thank you to MVAC teams and everyone who helped make the day happen.

One Foot Forward

For Mental Health

Our MVAC team is taking part in the Black Dog Institute's One Foot Forward this October walking to support Mental Health.

Better Mental
Health for
Stronger
Community

Every steps
make a
difference

Our Goal is to reach \$1,000

Have your say on how we can improve MVAC

If you have some feedback about any of our operations here at MVAC, we have a new way to make your voice heard. You can have your say by scanning the QR code with your smartphone. You'll be taken to our feedback form, where you can pass on your suggestions.

Mental Health Support (Female Clinician) at MVAC

Starting 16 November 2026

MVAC Health is proud to partner with the Royal Flying Doctor Service to provide mental health support to our community, with appointments available monthly.

Need someone to talk to?

If you're experiencing stress, trauma, relationship difficulties, sadness, depression or anxiety, support is available.

You don't have to face these challenges alone.

How to access the service:

There are three ways to arrange an appointment:

1. Contact the Flying Doctors directly to book an appointment.
2. Ask someone in your support network to make an appointment on your behalf.
3. Speak with your GP for a referral, and MVAC can arrange your appointment.
