

PRE-K SOCCER

POWERED BY

A fun, age-appropriate introduction to soccer for 3–4-year-olds. Join us this winter (January–March) for a 10-week class on Sundays at the Pegasus Pitch.

What to Expect

- High-energy sessions built around movement, imagination, and repetition
- Focus on motor skills, ball familiarity, and listening in a group setting
- Introduction to small-sided games (3v3 or 4v4) later in the season
- No pressure. No scoreboards. Just fun, friends, and foundational skills.

Soccer made simple and fun just the way it should be.
