Payment Policy

Assurance Cremation Society has established a uniform payment policy to serve all families fairly and to prevent misunderstandings. This payment policy enables us to contain our costs to all the families we serve.

Assurance Cremation Society's policy requires that all financial arrangements be completed during the arrangement conference.

The following are acceptable payment arrangements:

In order to help us in maintaining our high standards of care, all funeral and cremation services are treated as cash transactions. We are not in a position to provide financing and your account is due and payable on the day that arrangements are made. In the event that the decedent's funds are not immediately available then a member of the family will need to take care of payment and file their own claim for reimbursement with the estate.

Your Funeral Home Account: This is a cash transaction. Payment is due and payable on the day that arrangements are made. Payment may be made by cash or check, by Visa, MasterCard, or Discover.

Assurance Cremation Society does not accept future payment from "Estate Funds".
