ILLNESS & DISABILITIES

If you or any other members of your party suffer from a disability or any other medical conditions, please tell us before you book so we may advise you appropriately.

Many destinations offered may not have the disabled facilities such as ramps and lifts. A fair level of fitness is a requirement when you book the holiday with us.

Medical facilities may not be readily available especially on African safaris, although we will do our level best to provide assistance in emergencies.

TRAVEL BY AIR

Air travel can cause problems for some people with circulatory or bronchial problems, such as deep vein thrombosis. It is imperative for anyone with high blood pressure or respiratory problems should consult your doctor for advice before you book and in good time before your departure.

PASSPORTS / VISAS / HEALTH

Passport is the important document required to travel, which should be valid for 6 months at the time of your travel and contains a minimum of 6 blank VISA pages.

Some destinations also require visas and you should contact the Embassy or Consulate of the country, which you are planning to visit in good time before you travel. You should also contact your doctor or a specialist vaccination centre for details of the measures you will need to take prior to departure. You should take all precautionary measures to protect yourself and children against any viruses / pandemics / epidemics including Covid19 by carrying your own sanitisers and masks. All children should travel on full passports. It is your responsibility to ensure that you have all the correct documentation for the holiday including passports, visas, health certificates and international driving licenses.

We will not be liable to make any refund or pay compensation if you or any member of your party is unable to proceed with the holiday as planned because of incorrect or missing personal documents.

FLIGHT DELAYS / CANCELLATION

Unfortunately, delays and cancellations may occur. Depending on the length of the delay, cancellation and surrounding circumstances, the airline concerned should provide refreshments when and where appropriate. UBON Safari Limited is not in a position to provide any assistance in the event of flight delay / cancellation and cannot accept any liability except where expressly stated in these Booking Conditions.

There may be Flight delays or Cancellations which are beyond our control. We'll try everything in our control to find the best alternatives, which means UBON Safari will have to reroute the itinerary.

BOARDING REGULATIONS

If any flight you have booked is cancelled or delayed, your flight ticket is downgraded or boarding is denied by your airline in circumstances which would entitle you to claim compensation against the airline under EC Regulation No 261/2004 – the Denied Boarding Regulations 2004, you must pursue the airline for the compensation due to you as the full amount of your entitlement to any compensation or other payment is covered by the airlines obligations under these regulations.

For further information you should contact the [Civil Aviation Authority](#).

The fact a delay may entitle you to cancel your flight does not automatically entitle you to cancel any other arrangements even where those arrangements have been made in conjunction with your flight. We have no liability to make any payment to you in relation to the Denied Boarding Regulations or in respect of any flight cancellation or delay, downgrading of any flight ticket or denial of any boarding.

SPECIAL REQUESTS

Where special requests such as diet, room location, twin or double bedded room, a particular facility or flight seat are an important factor in the choice of holiday, you must advise us before a booking is made. We will pass your request on to the hotel or airline but cannot guarantee that it will be accommodated. We will also pass on any dietary requests to airlines but we recommend that you check directly with the airline once your tickets have been issued. The provision of any special request does not constitute a term of your contract with us unless we have confirmed in writing that your requirement will be met.

It is compulsory that all travellers take out comprehensive travel insurance covering personal effects, accident, medical and emergency travel expenses, cancellation and curtailment. We recommend that you purchase the Comprehensive Travel Insurance at the time of paying a deposit. The Comprehensive Travel Insurance should also cover all Pandemics, Epidemics, Viruses including Covid19.

For those who participate in sports and activities whilst on holiday that have been organised and arranged independently of us, it should be understood that participation is at the individual's own risk and it is your responsibility to obtain the relevant insurance.

We will require your insurance policy details at the time of finalization of your booking. Please keep your insurance details with you whilst on holiday.

AMENDMENTS AND CANCELLATIONS

As a buyer you should be aware that all sales are final.

Unless otherwise stated in the sales description, once acceptance has taken place all sales are final, if alterations or cancellations are available from the supplier they may have their own Terms and conditions, which will be applicable with charges.

UBON SAFARI LIMITED, GAZELLE SAFARIS will however do its level best to assist you in any alterations or cancellations but cannot guarantee that such attempts will be successful and cannot be held liable for any charges incurred to you.

Any request for changes must be made in writing by the person who made the original booking, or his or her travel agent. If there is a possibility to make the change, there will be an administration charge of £50 per booking, and payment of any other costs incurred as a result of the change. All scheduled airlines normally regard changes as a cancellation and rebooking, therefore any alteration may incur a 100% cancellation charge in respect of the airfare.

TRANSFER OF BOOKINGS

If for any reason the person named on the booking form is prevented from travelling (i.e. due to illness, the death of a family member), we will agree to transfer the booking to another person. Cancellation Policy: UBON / GAZELLE reserves the right to charge cancellation fees for booking services rendered. In addition, UBON / GAZELLE is obliged to pass on cancellation penalties as levied by the hotels, lodges and service providers concerned. UBON / GAZELLE will always try to have cancellation fees waived where possible or will negotiate to have these reduced or curtailed. However, hotel, lodges and third party service providers have a right to charge cancellation fees and the non-refundable deposit is held in order to cover these costs should the occasion arise. Cancellation charges vary hugely between hotels and lodges, and between various African countries.

In an effort to give a standardised policy, the following cancellation charges apply:

WHAT HAPPENS WHEN YOU CANCEL YOUR BOOKINGS

Any cancellation must be notified immediately to us in writing by the person who made the original booking.

Cancellation will take effect from the day we are notified in writing.

In all cases of cancellation the deposit and any amendment charges will be forfeited.

For example Terrorism activities, Threat of War, Act of God, Pandemics, Epidemics, Covid19, Transport problems, Flight cancellations or delays.

In an unlikely event of the supplier cancelling or amending your reservation after the booking has been made, we will communicate with you as soon as possible and give you the following options if there is time to do so before departure.

Alternative travel arrangements with the services of equivalent price, if available

Alternative travel arrangements with the services of higher or lower price with a supplement if the cost is higher than that of the original price or receive refund if the cost is lower than that of the original price of the package,
OR

Cancellation of the Holiday with a full refund

We act as an agent for the supplier; they may not give the above options where any change made is a minor one. A change of flight time of less than 12 hours, airline type or aircraft (if advised) or destination airport usually qualify as minor changes.
