Notes From the General Manager, Bob Russell

Billing Portal. We thank you for your patience and understanding with our decision to go paperless. This is a big step forward and it will ultimately make things easier for our members as well as our accounting department. If you need help accessing the online portal, please contact our Member Services office.

Dogs: Dog owners must help us by cleaning up after their animals **EVEN ON THE GOLF COURSE**. In a final effort to let dogs remain on our property, we have purchased a "Dog Waste Station" that includes bags and a waste basket to dispose of the bags. It will be located at the bottom of the stairs leading from the deck to the pro shop area. If everyone helps us, then we will continue to let leashed dogs on our property. If our customers don't take responsibility, this privilege will end.

Private carts. All golf carts that are driven on Sequoia Woods property must display a current "SWCC 2026 Trail Fee" sticker. You can notify us of your intent to use your cart either at the pro shop or at my office. You'll be billed the appropriate trail fee cost, and you will also need to provide us with a copy of your insurance policy that covers use of your cart. After discussions with various members we realize that some private cart owners have avoided notifying the club or paying the cart fee; this is against our policy and is unfair to the members who do the right thing.

Driving Range The range had significant damage from our massive storm earlier this year. Poles and netting were destroyed, and we're still waiting for replacements. We are hoping to get this reopened soon.

Golf Course Paul Watts and the golf course maintenance efforts enabled us to reopen the entire course less than three weeks after the February storm! The golf course, the swimming pool area and other common areas are in great shape, which looked almost impossible after the storm had moved on.

GOLF

Notes From the Head Golf Professional

by Bob Reichle

Summer has arrived, schools are out and our sleepy little town of Arnold has doubled in size. Because of this, we now have many new club members who are still trying to get a feel for how things work at our facility.

With that said, I would like to present a few suggestions on how we can work together to provide a fun and enjoyable experience for our members and guests...

1. Plan ahead!

Golf members may book tee times two weeks in advance.

Social members may book tee times one week in advance (limited to four rounds per year.)

If you decide you want to play at the last minute, please call ahead to check on course availability.

Walk-ons are allowed, however, if showing up to play unannounced you may have to wait longer than expected or may not be able to play at all. We will always do our best to accommodate all members whenever possible.

2. Keep up to date by visiting sequoiawoods.com.

Our website is where you can access our month-to-month calendar that lists all club events for the year, men's and women's league play days and times, Golf Shop hours of operation and more.

The "Fore!cast" newsletter is posted in the Membership section of the website, and features informative articles with tournament results, club updates, events, activities and more.

SWCC Golf Tournaments and Events directories for all SWCC Tournaments and Junior Golf Clinics

Cont'd.

can be found in the Golf section. Members can access each upcoming golf event or Junior Golf Clinic for details and registration.

3. Book your tee times according to your skill level and pace of play. The golf shop staff will always be available to help guide you and suggest appropriate times.

4. Please observe and follow our club dress codes and policies, which include:

Men and boys must wear shirts with collars.

Women may wear shirts without collars.

Tank tops must be at least 2" on the shoulder (*no spaghetti straps*).

Halter tops or short shorts are not allowed.

Blue jeans or cut-offs are not allowed.

Complete policies pertaining to golf and the clubhouse are in our Member Handbook. Just call the Member Services office if you need a new handbook: 209-795-1000 ext. 8.

Our golf course superintendent, Paul Watts, and his crew have done an outstanding job in preparing our course for the upcoming season. As members, it is our responsibility to help keep our course in its great condition by remembering to always replace divots and repair ball marks on the greens. If we all make a point to remind each other, as well as ourselves, to do these simple tasks, our facility will continue to be the best that it has come to be!

Men's Club News

by David Pease, President

Following the Memorial Day un-official start of summer, the Men's Club braved chilly temperatures and rain to complete their last game in May.

The team is looking forward to a warmer, sunnier month for our Men vs. Women Tournament coming up on June 17th and our Par 3 Tournament on June 25th.

A wet and cold ending to May!

THE SEQUOIAN (Women's 9-Hole Club)

by Liz Thompson, Captain

May was a busy month for the Sequoians! We want to welcome our newest members Sheri Fisher and Laurie Plautz. We also welcome back Kay Hunter. We're glad you joined us. We have a wonderful group of ladies and are excited about golf and making friends. We are so fortunate to have a beautiful course in which we get to play. Thanks to the many staff that make that happen.

On April 30, we had eight Sequoians attend the Home and Home Invitational at Del Rio Country Club. What a fun event they had with the Hawaiian theme. Just look at those hula skirts!

Let's give a shout-out to our April Charm Girl, Laurie Plautz, our newest member, and to our May Charm Girl, Chris Lestanguet. Congratulations ladies! They were both awarded a low net pin for their winning scores.

Our Most Improved player for the month of May was awarded to Pat Hjelmhaug. Way to go Pat!

Cont'd.

On May 19, six of our Sequoians attended the Home and Home event at Oakdale Country Club. All the ladies dressed in patriotic wear to celebrate the upcoming Memorial Day. Let's also congratulate Claudia Beymer and her group for earning First Place!

The next WNHGA team play event will be held on June 2 at Oakdale Country Club. We have a strong group of eight golfers competing. Game on, girls! Let's break that tie and move up to first place.

Upcoming events are already being prepared for: our summer tournament in August and our Play for Pink in September. Remember to check the bulletin board for any upcoming events and the cabinet in the clubhouse for event photos. You might just be there!

Finally, I want to share some very sad news. As some of you are aware, our dear Sequoian, Carol Tregenza, lost her husband, John, to cancer on Monday, May 18. This happened quickly and unexpectedly. Please keep Carol and her family in your thoughts and prayers as she moves through the coming weeks and beyond.

GOLF

Pace of Play

- ◆ Always keep pace with the group in front. If your group is keeping up, then no one can say you're playing too slow or holding them up.
- ◆ Play from the appropriate tees based on skill level. With young children, have them tee off from a distance from which they can reach the green within four shots. (Junior tees can be from the 200, 150 and 100 yard markers in the fairways)
- ◆ If you are intimidated from a forced carry or tee shot over water, it's ok to drop a ball and tee it up from the other side.
- ◆ Play ready golf. Don't stand around and watch each other. Be ready and focused for your next shot.
- ◆ If you're having a bad hole and have reached a large number of shots before getting to the green, pick up and move to the next hole. You will avoid frustration and have time to regroup for the next hole.
- ◆ Plan on making tee times based on your group's skill level. Beginners, families with young children and groups or couples that enjoy a slower and less pressured pace are encouraged to make inquiries with the golf shop staff as to the best times to play.

Golf Carts

- ◆ All members and guests must have a valid driver's license in order to operate a golf cart on SWCC property, including private and leased carts
- ◆ Fees are required for all motorized golf carts when used on SWCC property.
- ◆ Seasonal SWCC golf cart leases are available.
- ◆ All private cart owners must pay a yearly trail fee.
- ◆ SWCC cart rental rates are per person: \$12 for nine holes; \$22 for 18 holes.
- ◆ A member riding in another member's private cart must pay the appropriate cart fee.
- ◆ A member's guest does not have to pay to ride in the member's private cart.

Golf Carts, continued.

- ◆ Avoid driving straight down the middle of fairways by entering and exiting at 45 to 90 degree angles.
- ◆ Carts are required to stay on the path on our back 9 unless authorized by the golf shop staff. A blue handicap flag is required, for authorization.
- ◆ All golfers, including those with blue flag privileges, must keep golf carts at least 10 yards from all tees and greens, no exceptions.

Tee Times

- ◆ Members may make tee times two (2) weeks in advance.
- ◆ Please make it a point to cancel a tee time 24 hrs in advance. As a courtesy to others, if a time cannot be utilized please let us know the day before. If a member continues to ignore this policy, once warned, they may lose their two-week privilege.
- ◆ Tee time reservations are on a first-call basis. Monthly standing times will not be allowed.
- ◆ Only the members themselves may make a tee time for a guest or relative. A member may call the shop in advance to "ok" a call from a friend or relative that will be playing as a guest of theirs.
- ◆ Season-long midweek time blocks will only be held for the Men's and Women's Clubs.
- ◆ Member/Guest outings occurring Fridays, Saturdays, Sundays and holidays will be limited to 24 players. Advance reservations are required.
- ◆ When making times for one (1), two (2), or three (3) players, be prepared to have other players assigned to your group.
- ◆ Single, walk-on players are welcome but may have to wait until a spot becomes available.
- ◆ Five (5) players in a group are only allowed Monday through Friday, or at the discretion of the pro shop staff. If a five-some can't keep up with the pace of play, they'll be asked to split up.
- ◆ Junior golfers may play without adult supervision only with the approval of the golf shop staff.
- ◆ Always make a point to call ahead when coming to the course without a scheduled tee time.

WOMEN'S 18 HOLE CLUB

by Janice Dangleis, Captain

Happy Summer, everyone! Welcome back to all of our members from the warmer places in winter.

We had a Team Mixer, in late April, hosted by Greenhorn Creek. It was a chilly morning but it warmed up enough to play some great golf.

Kathleen Garmsen and Karen Camper added a new two-lady team event called "St. Andrews." We all agreed this event should continue on our yearly schedule.

We had some really fun events in May. Our May player of the month was Karen Camper, and Low Gross winner was Kathy Leonard. Congratulations, Ladies!

We had some big winners at the Greenhorn Creek Invitational. Kayleen Clemens and Kathy Ganley both took first place in their flights. Cyndie Hawkins took two of the CTPs. Monica Beaman and her team

Cont'd.

took third place in the first flight. Kathleen Garmsen and Cyndie Hawkins' team took second place in the second flight. 'Way to show our great playing, from SWWGC!

June brings us another month of great events, including the annual Men vs. Women Tournament (we will get them this year!), the Mailbox Tournament (this year our SWWGC is hosting the La Contenta Ladies), and the ever-popular Par 3 Tourney. Please also refer to the June schedule sent by Kathleen, as there are times and sign-up dates for these events and a few others not mentioned.

Ann MacDonough is on her second month of the "I Love Golf" quiz. Ann's come up with a really wonderful method for us to learn the rules of golf. Nice, Ann!

Thank you to all the members who are graciously supporting the Social Chair duties for our tournaments this year. It's member support that makes this club so special.

'See you on the course!
