## MEMBER ACCOUNTS AND STATEMENTS

Your membership privileges allow you to conveniently charge your purchases in our food and beverage outlets, as well as the golf shop, to your member account. This means that you can make one payment each month, instead of paying each time you purchase from our outlets.

We currently mail monthly paper statements to all of our members. Statements list your purchases and payments that occur within each calendar month. If your payment arrives *after* due date shown on the statement, it will be posted on the next statement that follows.

### How To Pay Your Monthly Account Balance

#### 1. By check (mail or drop off)

Please always include your **correct membership number and account name on your check**; you can always find that number on your monthly statements and on your membership card.

#### 2. By phone with a credit-card

You can phone Nancy in our membership services / accounts receivable office - **209-795-1000 ext. 8** and give your credit card information over the phone. Voice messages will always be returned as soon as possible.

#### 3. By credit-card on file for automatic payments

For your convenience, you can also leave a credit card on file that will automatically be charged on a monthly basis. The cards will charge the full account balance shown on your most recent statement (the month prior to the charge batch.) Just give Nancy a call to set this up: 209-795-1000 ext. 8

## NOTES FROM THE GOLF PRO

by Bob Reichle

Golf course conditions are perfect and the fall colors have arrived, so come on up to winterize the cabin and enjoy a couple of days of perfect golfing weather.

When booking morning tee times, don't be surprised that, upon arrival, there might be a frost delay. Coffee is always available but standing around in the cold might not be your "cup of coffee"; if that's the case for you, just call ahead to check on course conditions and possible delays.

We'll continue to be open for play throughout the winter months, as conditions allow, however as we get closer to late November and both the overnight and daytime temperatures start to drop, we will most likely close holes 14-18 (usually sometime after Thanksgiving) in order to protect the tees and greens that get little or no sun this time of year. If you call the golf shop during a period of golf course closure we will leave a no answer greeting in regards to the closure and a tentative opening date. In addition, you can always check out the "**web cam**" on our Sequoia Woods web site. If you require further information you may always call the main club house at 795-1000.

### Protocols for Reciprocal Golf Play

When planning to play at other private golf facilities, here are some guidelines to get you started:

**#1:** Call the other golf facility first and let them know you are a member of a private club and are interested in reciprocating with their club.

**#2:** Verify that they will in fact reciprocate with our club, and ask what days and times are available, whether you can bring guests, what are the dress code requirements and what can you expect to pay in fees.

**#3:** Generally at this point they will ask for a call from your Head Golf Professional to set it up. The staff at the SWCC golf shop will be happy to take over from here and make that call.

**#4:** During the winter months, when our facility is closed and you need a call from us to set up a reciprocal round, just leave a message on our golf shop phone (209-795-2141). We check for messages every-other-day, and will get back to you as soon as possible.

## WOMEN'S 18-HOLE CLUB

Janice Dangleis, Captain,  
SWWGC

Well all, it's the end of the season  
and what a great year we've  
had! Thank you to all the hard -

working Board Members, volunteers and "Team 18"  
Hole Ladies.

We hosted a WGAN, an awesome Invitational and  
many fun weekly team plays via Kathleen and  
Karen's great planning. Much appreciation to all of  
you. We're looking forward to the schedule for next  
year. Bob Reichle, Chris Faria and Aiden and all of  
the SWCC support is so much appreciated, we  
can't say enough in our gratitude.

The Board members are same for next year with the  
exception of Co-Captain. Thanks you to Kathy  
Ganley for your years of support. Please welcome  
Donna O'Connell to this role. We're looking forward  
to her new ideas and support to our club.

I will be getting in contact with some of you to fill our  
important support team for 2026. We hope every-  
one can give some time to this, to continue to have  
a fun club for the future.

If you are not involved in the Arnold Angels, please  
think about joining. It is one of the charities that  
supports our community! Arnold is the best kept  
secret but we all need to help families, children and  
adults in need!

'See you on the course!

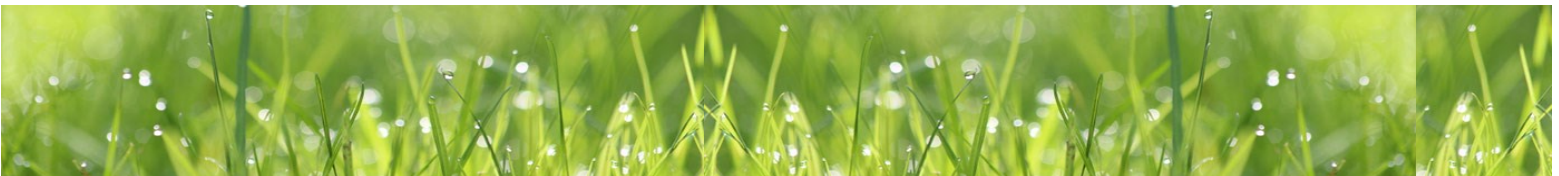

Shot your lowest round?  
Had a special score on a hole?

## Men's Club News

Mike Hurst, President

By the time this is published the greens will have been punched and sanded, the trees will have shed most of their leaves and, if we're lucky enough, we've only lost a few balls on holes 3, 5 and 6 under the leaves. And we'd be happy, because we're still playing! Don't even think about all those balls in the drained lakes. (You'll be sorry!)

The golf season is over but what a great time it was. I can only hope everyone had as much fun as I did. The fun and competitive tournaments, the play days for 18- and 9-hole groups, the raffles, ringer-board and inclusive formatted games were a blast. None of which would have been possible without the wonderful team at SWCC. We should all be thankful for the MC board, the professional staff, the manager(s), and ground crew for providing a memorable and first class 2025 season. Looking back on the season, the best part was the camaraderie that was always present and the new friends as well as the departed ones that will always be cherished. Thank you!

Looking forward to next year, I would like to welcome Mark Hunter and Doug Hjelmhaug to the board as well as thank Brian Raley for re-upping as our treasurer. (Brian's looking for a trainee to eventually take over. Hint. Hint.) The board will be ever searching for ways to improve our MC. Also, there were several suggestions given on the survey and rest assured they will be addressed at our November meeting (second Monday of each month; winter at 11am, all members are welcome.) Don't forget to fill out the 2026 MC application before the end of the year. They're available in

*cont'd.*

the pro shop, for the same loooowww price as last year. Don't wait, as the price increases as the season nears.

Finally, my term as a board member has come to an end. In keeping with my motto, I'll be succinct. You're a great group of guys and it was an honor to serve with the best board ever. Thank you and practice your a\*\* off, because I'm free!

Keep it simple!

## **The Sequoians (Women's Nine-Hole Club)** Liz Thompson, Captain 2025

What a great season for the Sequoians! Our Charm Girl for September was again Karen Camper. She just cannot be beat. Way to go Karen.

We held our annual end-of-season golf round and luncheon on October 7, 2025. It was a beautiful luncheon with our margaritas and taco bar. Each member received a bag full of goodies that they can use on the golf course.

We held our election of officers for 2026. It was unanimous to continue with the same board as this season. Captain - Liz Thompson, Co-captain - Nancy Schabillion, Treasurer - Robert Jester, and Secretary - Dodie Raley. We have each of our committee chairpersons filled and are looking forward to next year. We already have our team play dates for next year and will be planning our summer tournament, Play for Pink, and summer luncheon.

Susan Hammon, our handicap chairperson, awarded our Most Improved Player of the Year to Kathy Enea. She has consistently played well and has earned it. We applaud her for such a great season. Our co-captain, Nancy Schabillion, was a close second. We also want to recognize Claudia Beymer, as she has come out and played more Tuesday games than any other Sequoian this year.

We want to thank Carol Tregenza for spearheading the clothing swap during our luncheon. It was huge success. I think most everyone walked away with a

*(cont'd.)*

new item or a whole new outfit. Carol took the remaining clothes and donated them to the Angels Camp Hospice Thrift Store. Thank you Carol! I hope we can do this again next year.

Candy Zvolanek distributed \$440 total for par/ringer. There were 32 winners this year. 'Way to go, Sequoians! Thanks, Candy, for managing our par/ringer board...from compiling all the data, to securing the money, and then distributing it to everyone. Well done!

I am truly excited to be part of a ladies golf league who respect one another, help wherever needed, and love the game of golf. I look forward to another great season in 2026. Until then, we'll get in as much golf as the weather allows us. If anyone is interested in joining our nine-hole group, we welcome you! Check us out on the website.

*Happy golfing!*
