Paying Your Sequoia Woods CC Member Account Balance

When you write a check to pay your SWCC account balance, **please be sure to include the following important information on the check:**

- **member account number**
- **primary member name**

If you have auto-payment set up through your bank, please make sure the bank prints your correct SWCC member number and primary account name (and be sure to update that number if you change the type of membership you have.) If someone other than the primary member writes checks, it's still important to reference a primary member name and the SWCC member number. If there are two member names on the account, it would be helpful to reference both.

We appreciate your payment for the total balance due, in full, each month! For your convenience, we can keep a credit card on file for automatic payments.

NOTES FROM THE GOLF PRO

Bob Reichle—Head Golf Professional

September is upon us and golf memberships here at Sequoia Woods have reached their peak. In order to continue providing a great golfing experience at Sequoia Woods, we are keeping a close eye on total membership numbers, daily rounds, and how they are impacting tee time availability during our peak season, April thru September.

When a member comes to the club, our goal is to always provide an opportunity to play. Members may reserve tee times two weeks in advance and, in doing so, can usually book a time that works best for them. Periodically, throughout the season, we will have certain tournaments and events that impact open play. These events are listed on a yearly calendar that is published on our website at the beginning of each season. By planning ahead, and calling for times in advance, we will always do our best to accommodate your golfing needs.

As many of you already know... Arnold, Blue Lake Springs and our sleepy little country club are now high on the list of vacation hot spots in the central Sierra. The word is out and we have been discovered!

WOMEN'S 18 HOLE CLUB

by Janice Dangleis, Captain

WOW, I don't know about all of you but August seemed like a whirlwind of a month, with all of the great golf events and play days we enjoyed. First though, a huge congratulations to Cathy Dow for her Hole-In-One on #17!

Our player of the month goes to our wonderful Tournament Chair, Kathleen Garmesen, who shot a net 66 (I want to be like Kathleen one day!) Donna O'Connell was low gross with a 93!

A big shout-out to Kayleen Clemens and Kathy Leonard for another excellent SWWGC Invitational event. We always get such a great turnout, as ours is one of the best Invitationals as said by many of our guests and members. This event brings into SWWGC much of our operating monies as well as charity support to the community. The 2025 "Tailgate Party" theme was a hit and the businesses, club ladies (men too) and Sequoia Woods are always so generous for this event. Thank you all!

The "USA Team" (again) beat the "EU Team" in this years Solheim Cup. I was on EU but, as in the LPGA, 'am happy that USA won! ☐

Our team shirts have been chosen, so make sure and get yours ordered.

Please also plan to attend our Awards Luncheon on Sunday October 5 and ask your teammate for the Sadie Hawkins tournament and lunch on Wednesday October 8 (no relation to Cyndie BTW!) Membership dues are due by November. Please don't procrastinate and have to pay the increased late fee!

The 12-Away Ladies were rained out, with a bit of thunder/lightning mixed in, at Pine Mountain Lake GC this month, but they will try again in September.
'See you on the course!

GOLF

From the Men's Club

by Mike Hurst, President

It's September and there are signs of the club slowing down. Announcements of "the last..." this or that event are occurring more frequently, as the sun sets earlier and the dew stays later in the day. But the wise members know the best part of the year is upon us and relish the opportunity to play at our wonderful course. Again, a big "Thank You" to Paul and the crew for keeping the course in such great shape. When other courses are starting to get ragged, SW is staying fresh!

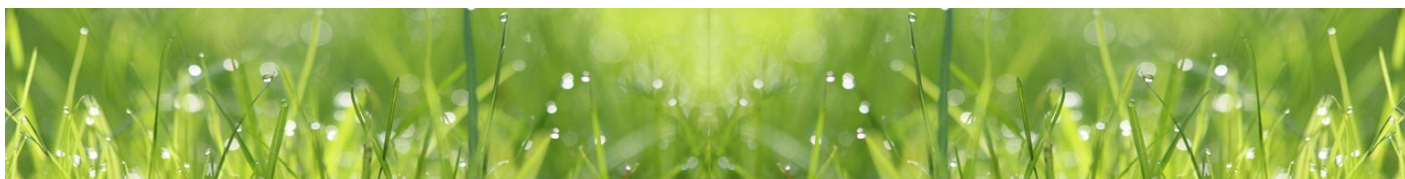

What's coming this month in the Men's Club? There are four Monday playdays, two Thursday playdays and a Sunday playday (9/21, 11am) scheduled. Reminder, it's crunch time for Ringer Board participants, as it closes at the end of September. Go out and make that putt! The tournament this month is my favorite, THE RYDER CUP! Rich Hein has been keeping everyone posted as to who qualified (got their sign-up in) and soon it will be revealed who will be playing for the Euros or the USA! Only the winning team will be paid, so fight for every point. There will be a deli lunch, lucrative raffle and a putting contest. Last year, the winner was decided by .5 point! Thrilling!

Also, Bill Perry, our greenskeeper liaison, has arranged with the crew to have a voluntary course cleanup-day on the 23rd. We'll be raking pine needles on the left of hole 16 as anyone that has hit a ball up there knows how treacherously slick (and thick) it is. Let him know if you would like to help out, for the injury you're saving may be your own! Just remember, any ProV's are (were) mine!

Finally, as the season draws nearer to a close, take advantage of your club as much as you can. The board is returning your cash at an all-time high rate with higher payouts, multiple flights, CTPs flighted, enticing raffle prizes and scrumptious lunches (the beer's still your tab). Also, as stewards of the course, please encourage our weekend visitors to retain the quality of our club by following private course (or any course) etiquette by raking, fixing, AND picking up after their pets! (It becomes personal when you step in it or your ball...@#%#@).

In memoriam: the club lost a notable member last month with the passing of Dave Ryniec. As a former Men's Club president, avid sportsman, involved member and devoted husband, Dave will be sorely missed by the many who were privileged to know him (and there were many). Thursday games and twilights won't be quite the same without him. Our prayers and thoughts to his family.

Life is complicated enough. Think of Tommy Fleetwood when you're losing focus. In this game it's just you and the ball. Sooooo..... keep it simple!

GOLF

THE SEQUOIANS

(Women's 9-Hole Club)

by Liz Thompson, Captain

August was another great month for golf. The weather couldn't have been better. On July 30 a group of eight ladies attended the last team play event for 2025, in Twain Harte. What a beautiful course that was. The Sequoians came in first place! We were so excited and are already looking forward to our next season.

Our Most Improved Player for the month of July was Kathy Enea. Way to go girl!

Our Charm Girl for August was awarded to Karen Camper, with a low net of 30 on the back nine. What a great day for Karen as she also received a pin for scoring under 50 and *also* was the only one to reach closest-to-the-pin on hole 17. Wow! She's playing a lot and it shows.

Susan Hammon and Michele Lemos are busy working on our end-of-summer golf tournament coming up on Friday, September 5. The cost is \$50 for golf and a bbq dinner on the deck! Sign up at the pro shop.

Our end-of-season event is happening Tuesday October 7. This will include golf, luncheon, awards, and election of officers for 2026. Please don't miss this, as it will be our last scheduled event for the year.

Happy golfing!

Protocols for Reciprocal Golf Play

When planning to play at other private golf facilities, here are some guidelines to get you started:

#1: Call the other golf facility first and let them know you are a member of a private club and are interested in reciprocating with their club.

#2: Verify that they will in fact reciprocate with our facility, and ask what days and times are available, whether you can bring guests, what are the dress code requirements and what can you expect to pay in fees.

#3: Generally at this point they will ask for a call from your Head Golf Professional to set it up. The staff at the SWCC golf shop will be happy to take over from here and make that call.

#4: During the winter months, when our facility is closed and you need a call from us to set up a reciprocal round, just leave a message on our golf shop phone (209-795-2141). We check for messages every other day and will get back to you as soon as poss.

By following these steps ahead of time we can eliminate the frustration of phone tag scenarios. There are many great private clubs out there, so take advantage of the benefits of being a member at Sequoia Woods!

Pace of Play

- ◆ Always keep pace with the group in front. If your group is keeping up, then no one can say you're playing too slow or holding them up.
- ◆ Play from the appropriate tees based on skill level. With young children, have them tee off from a distance from which they can reach the green within four shots. (Junior tees can be from the 200, 150 and 100 yard markers in the fairways)
- ◆ If you are intimidated from a forced carry or tee shot over water, it's ok to drop a ball and tee it up from the other side.
- ◆ Play ready golf. Don't stand around and watch each other. Be ready and focused for your next shot.
- ◆ If you're having a bad hole and have reached a large number of shots before getting to the green, pick up and move to the next hole. You will avoid frustration and have time to regroup for the next hole.
- ◆ Plan on making tee times based on your group's skill level. Beginners, families with young children and groups or couples that enjoy a slower and less pressured pace are encouraged to make inquiries with the golf shop staff as to the best times to play.

Golf Carts

- ◆ All members and guests must have a valid driver license in order to operate a golf cart on SWCC property. Private carts are not exempt from this rule.
- ◆ Fees are required for all motorized golf carts when used on SWCC property.
- ◆ Seasonal SWCC golf cart leases are available.
- ◆ All private cart owners must pay a day use fee or a yearly trail fee.
- ◆ SWCC cart rental rates are per person: \$12 for nine holes; \$20 for 18 holes.
- ◆ A member riding in another member's private cart must pay the appropriate cart fee.
- ◆ A member's guest does not have to pay to ride in the member's private cart.

Tee Times

- ◆ Members may make tee times two (2) weeks in advance.
- ◆ Please make it a point to cancel a tee time 24hrs in advance. As a courtesy to others if a time cannot be utilized please let us know the day before. If a member continues to ignore this policy, once warned, they may lose their two-week privilege.
- ◆ Tee time reservations are on a first call basis. Monthly standing times will not be allowed.
- ◆ Only the members themselves may make a tee time for a guest or relative. A member may call the shop in advance to "ok" a call from a friend or relative that will be playing as a guest of theirs.
- ◆ Season-long midweek time blocks will only be held for the Men's and Women's Clubs.
- ◆ Member/Guest outings occurring Friday, Saturday, Sunday and holidays will be limited to 24 players. Advance reservations are required.
- ◆ When making times for one (1), two (2), or three (3) players, be prepared to have other players assigned to your group.
- ◆ Single, walk-on players are welcome but may have to wait until a spot becomes available.
- ◆ Five (5) players in a group are only allowed Monday through Friday, or at the discretion of the pro shop staff. If a five-some cannot keep up with the pace of play, they will be asked to split up.
- ◆ Junior golfers may play without adult supervision only with the approval of the golf shop staff.
- ◆ Always make a point to call ahead when coming to the course without a scheduled tee time.
- ◆ Reciprocal guest play times at our club may only be made one week in advance.
