

Name: Hannah Battey

Professional: Administrator

Special Interest: Administration.

Base: Sheffield, South Yorkshire.

Personal Statement, Experience and Employment:

Hannah has experience working in customer service, as a sales assistant, and as a bartender. She also has healthcare work experience, where she shadowed Physiotherapists and Occupational Therapists. She has built up a diverse skill set that centres around empathy and communication and transfers this across into new opportunities.

Through Hannah's time in education, she has worked well as an individual but also in teamwork and has been given leadership opportunities. Hannah has also gained experience in IT and telecommunication skills through volunteer work and past work opportunities.

Hannah studied a year of Physiotherapy where she gained an understanding of professional standards, ethics and clinical practice.
