VICTORY HILL FARM

Sippinonsearoc:

A New Chapter for Hoosier Pacing Power

By Bob Heyden

He missed by a diminishing head of being a 2-time Breeders Crown winner.

Sippinonsearoc, a son of Downbytheseaside, arrived at Victory Hill Farms towards the end of November to begin his stallion career after posting THE fastest sophomore Breeders Crown

At 2, Sippinonsearoc was 11-6-2-1 earning \$568,000. He won the OHSS Final as well as posting a 1:48.2 record at the Red Mile; THAT time established a new freshman world record. (That world record was lowered to 1:48 flat this year by Al Papi, also at The Red Mile.)

cas Wallin's Rebuff sold his first crop this fall at the Midwest Standardbred Horse Sale. Even Lucas thinks Sippinonsearoc will work out in Indiana "ABSOLUTELY!"

Ron Burke trained the speedy colt. "An incredible will to win. One of the fastest horses I've ever trained. If he can pass that along he could become any kind of sire."

Sippinonsearoc was bred by Trent Stohler of Markleville and Alesha Binkley of Ohio. Second foal of Queen Ann M by Big Bad John. There's kind of a 2025 pattern here. You see, four of the thirteen 2025 Breeders Crown winners (DEAD HEAT REMEMBER) had Indiana breeding! Indiana now has a grandson of Somebeachsomewhere - one that just won the Breeders Crown (\$11.80) 25.3 PARKED TO THE FIRST QUARTER and 26 flat HOME! - a colt who closed like a runaway locomotive in the 2024 Breeders Crown from 7 lengths back top of the stretch to fall a half a buck shy to Louprint - yes THAT Louprint! He competed for an ownership group that let's just say are not unfamiliar with their pictures being taken. Burke Stable-Weaver/Bruscemi-RAS Stable and Knox Services.

Maybe Gingras summed it up best. "He's been so good really. He deserved a big win like that. He's been knocking on the door. I'm so happy for him!"

victory ever: 1:47.3 at Woodbine Mohawk a neck over Dandy Ideal. He is 15 years younger than siring king Rockin Image and 11 years the junior of standout J K Endofanera. Mark Weaver was part of the ownership of the \$1,360,375 winner. "He tested to be a stallion and passed with flying colors. He's going to bring some much needed new blood on the pacing side in Indiana."

As a sophomore Sippinonsearoc posted a 15 7-2-5 \$792,375 slate. He was 4th nationally in 3 year old pacing earnings list in 2025 after being 5th in the 2 year old earnings department as a freshman. He swept the Kentucky Sire stakes including the \$400,000 final.

Yannick Gingras was his regular driver. "He was a very fast horse with just as much stamina. A great mind and he loved racing. Battling week after week. I think he'll be a great fit." Lu-

Pond-A-Acres continues successful

It's hard to talk about the Indiana breeding program without including Pond-A-Acres in the conversation. The New Haven, Ind. facility, just outside the Fort Wayne area, has grown into one of the most sought after consignments each year at the sales, and the number of champions produced from the farm keeps growing.

Probably the most noted superstars from their breeding program include two horses from the Jay Hochstetler barn Ponda Warrior and Ponda Jet. Ponda Warrior, 2023 winner of the prestigious Dan Patch Stakes at Harrah's Hoosier Park, has a mark of 1:48.0 and is nearing \$800,000 in earnings. The Rockin Image gelding is now six. Ponda Jet, currently a 16-race winner in 2025, is the current track record holder and fastest trotter in the history of Harrah's Hoosier Park in a time of 1:50. With 34 career wins, the Dover Dan five-year-

old trotter is also nearing \$800,000 in earnings. Other superstar standouts from their farm includes Ponda Adventure, winning 18 of 21 at two and three with \$779,035 in lifetime earnings and named Two-Year-Old Trotter of the Year and Ponda Title, winner in 1:55 and earning more than \$483,000 all at the age of two before sustaining a career ending fatal illness. Ponda Acres also bred and raised the war horse from the Rick Plano barn Flagman, who has a mark of 1:50.4 this season while earning more than \$780,000 during his career racing at the top of the trotting ranks.

Pond-A-Acres also saw success from their freshman class this year with success from Ponda Suite, Ponda Lime, and Ponda Type. The list of champions doesn't stop there with numerous standouts, mostly carrying the farm name, finding their way to the winner's circle.

trend in Indiana's breeding program

By Tammy Knox

Building up a brood mare band to produce stars such as Ponda Warrior and Ponda Jet has taken several years of hard work and pedigree studying, something that Tim Schmucker embraces in his day to day routine for the farm. The operations at Pond-A-Acres are definitely a family operation with Tim's brothers, Jonathan, Louis, and Jonas, all part of the day to day operations.

"We have a pretty good system and rotate the mares and foals around to different farms between my brothers and the main farm," noted Tim. "We try to keep between 30 and 40 brood mares, and that number has increased over the past two years because we have picked up about 12 to 15 new mares."

Pond-A-Acres main hub includes approximately 200 acres, but not all that ground is grass. The property includes hay fields, pastures, and two ponds, which instigated the name of the property by Tim's father Al

Ponda Concorde, who sold for \$110,000 at the Midwest Standardbred Horse Sale to Tom Pollack, is shown with his mother, Batoutahill, as a weanling at Pond A Acres. Ponda Concorde is from the first crop of Temporal Hanover. Photo provided

Schmucker Jr. Over the years, the name was shortened to Ponda and "just sort of stuck."

"My brothers, Louis, Jonathan, and Jonas all have farms, and we keep a few at their farms," noted Tim. "Jonathan takes all the yearling fillies, and the colts stay at the main farm. Jonas has a turnout for about six mares and babies, so we maneuvered them around as needed. All yearling prep and breeding operations take place at the main farm."

Preparing the yearlings for the sales each fall is a job within itself. Tim's family, including his sister Annamary and her husband, Mark, along with brothers Marcus and Joshua concentrate on this area for the farm. This past fall, Pond-A-Acres took 20 head to the sales. In 2026, they will have 25 headed to the ring, including six Ohio breds.

"In probably the past 10 years, we haven't bought anything back," not-

ed Tim. “Our main goal when we are at the sales is to sell and not protect the yearlings. Sometimes we see one that we think should be selling higher, but we always have next year’s group at the farm needing our attention.”

The Schmucker Family got their interest from family ties dating back two generations. But the interest picked up with Al Schmucker Jr. and the business reached another level under the current generation of the family.

“Our main goal is to have good mares and sell foals,” added Tim. “We get our mares from a variety of places. We buy some through private deals and we watch On Gait and Preferred Equine Marketing pretty closely. And, of course we buy from Harrisburg each year, but we only bought one this year.”

The Schmuckers added a two-year-old filly by Muscle Hill to their operation. The filly is named Indeed Bi and she took a mark of 1:55.3 this year. Her maternal line is strong with winners such as Fast As the Wind (\$833,274), Warrawee Michelle (\$1.2 million) and even Indiana sire and world champion Guccio on her maternal side. Pond-A-Acres follows simple guidelines in adding brood mares to their band.

“We like new breeding because it seems to sell well at the sales,” added Tim. “We also like to see performance on the track, or at least a brother or sister who has performed well.”

The recipe for putting together a successful breeding program is paying off for Pond-A-Acres. They have had the sale topper in recent years, including the inaugural Midwest Standardbred Horse Sale this past October where Ponda Light, a daughter by JK Endofanera, brought \$125,000. She was followed closely by Ponda Concorde and Ponda Jiggy, both foals of first crop sire Temporal Hanover who brought \$110,000 and \$100,000, respectively.

“It’s very rewarding to see someone make money with the yearlings they buy from us,” added Tim. “We are hopeful they all go on to race well and make their new owners some money. We as a farm want to extend a special thank you to all trainers and owners who place their trust to inspect, bid on, and purchase our babies.”

ISA Member Activities

Blue Bird Meadows Groom of the Month

Each month throughout the racing season at Hoosier Park, caretakers are highlighted with “Groom of the Month.” New sponsor in 2025, Blue Bird Meadows assisted in increasing the award to each individual. ISA collects nominations from participants in the paddock and showcases grooms with a gift and recognition for their hard work.

Complimentary Food Gatherings

ISA provides numerous group feeds during the year, from pizza in the paddock to Lester Schmucker’s famous grilled chicken, served outside the paddock. The gatherings are well attended and provide a nice relief from long days of racing.

Member Outings

All ISA members are invited to numerous outings annually, including the Welcome back at TopGolf, and the Horsemen’s Golf Outing. Members enjoy events away from the track to unwind and relax with fellow participants.

Racing Partnerships

ISA works closely with several entities throughout the season, including Hoosier Park and the Indiana Standardbred Breed Development. Monetary support is provided for strategic wagering initiatives through the U.S. Trotting Association as well as promotional products dispersed to racing fans on event nights.

ISA Member Activities (cont.)

State Fair Speed Barn Tours

The ISA has taken over ownership of the annual Speed Barn Tours during the Indiana State Fair. In 2025, the sessions played host to more than 25,000 who enjoyed meeting racehorses, taking a ride on the virtual reality racing system, or talking with drivers, trainers and industry leaders about the impact of racing on the state of Indiana.

National FFA Convention Booth

The ISA partners with several entities each fall to provide an informational booth during the National FFA Convention in downtown Indianapolis. The event draws more than 50,000 students from across North America who are exposed to Standardbred racing through the display, which includes the virtual reality racing experience, a system purchased by the ISA in 2023.

Indiana Standardbred Awards Banquet

Each January, the ISA provides a celebration for all participants in the state with the annual Indiana Standardbred Awards Banquet. The evening attracts more than 400 annually and offers dinner at a deep discount followed by awards at both the fair and pari-mutuel level. The evening is capped off with drawings for luxury prizes and live entertainment.

Social Media Emphasis

In 2025, the ISA placed much emphasis on all social media channels by recruiting John Adamsky to develop and post creative content. John is widely known in the harness industry for his expertise in social media. Instantly all members noticed the betterment.

Saturday Night Mane Event

To invite current and new owners back to the track, the Saturday Mane Event was created. Every third Saturday of each month from April thru September, owners are invited to enjoy a night of racing from the best seat in the house, the Top of the Park.

ISA at the Ballpark

The ISA treated members to the first annual outing to a Indianapolis Indians Sunday afternoon game. More than 70 members enjoyed the game along with great food and comradery in a private area for the group.

107.5 theFan Radio Promotions

New in 2025, the ISA partnered with Indiana Breed Development to promote and educate county fair harness racing on the Jake Query show on 107.5 theFan radio show. Educational facts about Indiana harness racing and the final quarter of some of the best fair races were aired weekly on Query's show. Additionally, the Race of the Day occurred on the Ride with JMV daily, which is in its 8th year and represents a great partnership between the ISA, Hoosier Park, and Breed Development.

ISA Helmet Replacement Initiative

To educate and encourage drivers, trainers, and grooms to replace their helmets if more than 7 years old, or that have chips or cracks, the ISA Helmet Replacement Initiative was born. When ISA members place a new helmet order with Grattan Helmets, they will receive an instant \$200 off that helmet along with free shipping. The ISA, Hoosier Park, and Grattan Helmets represent the partnership for this ever so important benefit.

ISA Legislative Day at Crimson Lane

Another ISA first in 2025 was the ISA Legislative Day at Crimson Lane. Eight legislators and their guests enjoyed the day at Ernie and Darla Gaskin's farm in late July. Lunch, two-seater rides and a in-depth tour throughout the property showed to be an effective way to educate the full investment that is made in Indiana racing. Several of the legislators took to social media to share and show their appreciation of the \$2B economic impact that horse racing is in Indiana.

Wickey Family BBQ at Select Fair Races

In its second year, the ISA continues to contract with Emma and Marvin Wickey to provide food concessions at county fairs that do not have food concessions. The ISA measures the success as the majority of the time the Wickey Family leaves the day completely sold at the end.

Marvelous Mondays at DeLong's Farm

Harnessing Passion, Inspiring the Future!

Local horsemen came together this week to share their love for harness racing with the next generation—and it was a heartwarming display of community and passion!

With 57 in attendance, the Marvelous Mondays youth group got an up-close look at the history and heart of Standardbred racing. From learning about the sport's rich traditions to meeting these incredible equine athletes, the kids experienced the deep bond between horse and human. They even got a taste of Indiana farm life—where hard work, compassion, and connection are part of everyday living.

ISA Capital Projects

ISA is proud to partner with Hoosier Park to collaborate and approve various projects annually pledged by Caesars Entertainment for upgrades and enhancements at the track. Through this program, several enhancements have been made to the paddock area, including new water heaters, a saddle pad washing station, upgraded track lighting, track maintenance equipment, race bike paddock storage, and enhanced sound and video systems in the paddock and barn area, just to name a few.

ISA also reviews and provides additional projects needing attention to improve the quality of racing for both the fans and the participants, including the newly designed and implemented Hoosier Outdoor Patio (HOP), which supplies a new outdoor seating area complete with a live entertainment venue during racing. This area has become so popular it is being expanded in 2025 with a dedicated playground area.

Internally, ISA seeks out projects to improve benefits for members, such as securing John Adamsky and Tammy Knox to enhance and provide additional social media information.

Finally, the ISA continues to support national projects and stays involved with events and organizations associated with industry opportunities, including collaboration with the Hambletonian Society, the U.S. Harness Writers Association for the annual Dan Patch Awards, HHYF, and conventions and gatherings of industry leaders. By participating in these initiatives, the ISA keeps Indiana racing relevant on a national stage and garners support for the state's racing and breeding programs.

Signature Racing Events

The ISA supports most all of the larger racing nights at Hoosier Park. The organization provide monetary funding to enhance and elevate events, numerous volunteers through the ISA work booths, provide staffing support, and create promotional stations to engage customers.

ISA's executive director Tony Renz has worked diligently to bring in sponsorships to Standardbred events and was a strong influence in providing the majority of the \$250,000 in total sponsorships for the 2023 Breeders Crown. Renz was able to secure a partnership with Wallace Feed and Grain for free bedding during the Indiana State Fair for the Speed Barn Tours.

In 2024, Renz was at the table for negotiations with Walsh Products, who was the title sponsor for Hoosier Champions Night, placing the spotlight on the Indiana Sires Stakes Finals. The ISA took the sponsorship a step further and contacted all breeders in the state to ensure all participants in both the finals and consolations received a gift to cap off their advancement in the series. Similar results occurred in 2025; however, sponsorship was shifted from breeders to Hoosier Park, ISA, MSHS, and Walsh Products.

The ISA also brings numerous entities together for specialty events during the season to provide support to the race marketing staff at Hoosier Park for Community Night, Halloween's Equine Costume Contest, Empire of Hope, and Madison County Fourth Grade Tours, to name a few.

The ISA works with local businesses to enhance the Indiana Sired Fair Circuit. Many of the fairs provide blankets showcasing local merchants. Live streaming of all fair locations is provided with archived replays available on the organization's website. Also, free programs are created and available at each stop for the ISFC. An electronic version of the program is also made available a few days before ISFC racing programs on the website.

The ISA is also instrumental in the operations of the Indiana State Fair races. They work closely with the Indiana Standardbred Breed Development for the Governor's Cup Championships held at the Indiana State Fairgrounds.
