Jujubee adds sweet option for Indiana breeders

By Tammy Knox

Each year, new stallions are added to the lineup in Indiana. One stallion that is garnering a lot of attention is Jujubee, who just completed his first year as a stallion in the state. His first foals will be available at the yearling sales in 2026.

Jujubee completed his racing career as the fastest and richest son of Creatine. The millionaire trotter earned his career best time of 1:49.3 as a three-year-old, winning 14 of 18 starts as a sophomore. Some of those wins included titles in the Kentucky Futurity, Pennsylvania Sires Stakes, Langley Memorial, and of course his Breeders Crown win in 2021. As a result of his skill on the track, he was named Dan Patch Trotter of the Year, the only horse with that title to ever stand in the state of Indiana.

When retirement approached, his connections began to look for the right spot for Jujubee. They contacted Ivy Lane Farm in Goshen, Ind. and he was added to their lineup in 2024.

We were initially contacted by Kevin Greenfield about the possibility of Jujubee coming to Indiana to stand,” said Cathy Webb, who runs the farm in partnership with her husband, Dr. Paul Webb. “Kevin is the Syndicate manager of both Dover Dan and Don’t Let’Em, which we stand as well. Once Paul and I decided we were interested in bringing Jujubee to Ivy Lane Farm, we were put in contact with Jon Erdner, Jujubee’s owner.”

Jujubee was bred to 60 mares in his inaugural year as an Indiana stallion. The now six-year-old stallion will see his first foals on the ground in 2025.

“We feel that Jujubee has been well accepted in Indiana,” continued Cathy. “He is a beautiful and well-mannered stallion. He provides the opportunity for broodmare owners to breed to an out cross stallion. The Creatine bloodline opens up an opportunity for mares that are Indiana

sired to continue in production without breeding to the same stallions for multiple years.”

In addition to his speed on the track, Jujubee has excellent conformation. He has settled in nicely at Ivy Lane Farm, which has been in operation since 2001.

“Jujubee is a nice sized stallion that is not only a striking stallion, but he is a correct stallion as well. He is very smart. His first trip to the collection room could not have gone any better. He is easy to handle, does not get distracted, and can easily cover his book of mares.”

While Cathy notes he is still a stallion, the staff has grown fond of the new stallion.

“Jujubee loves treats & loves to be groomed,” said Cathy. “We always remind the barn staff that while he is an easy keeper, he is a stallion, and they need to always be careful.”

Jujubee stands for \$4,000 at Ivy Lane Farm. The farm is a full service facility, offering 70 acres of grass pasture with zoned lighting in their barn, which offers longer day lighting in November and December that manipulates mares’ estrus cycle. Dr. Webb, a graduate of The Ohio State University, also specializes in mares who are harder to get in foal. Although Ivy Lane Farm works with other breeds, 80 percent of their business is with Standardbreds.

Ivy Lane Farm also offers its own laboratory where artificial insemination is available on site and the farm can ship semen, offering easy and convenient services to all breeders.

For more information, contact Ivy Lane Farm at (574) 536-1600 or visit their website at ivylanefarm.net.

New records set for Hoosier Classic Yearling Sale

By Tammy Knox

Longtime manager Steve Cross of the Hoosier Classic Yearling Sale went out with a bang. Cross, who recently sold the sale company to Dana Parham of Odds on Racing and other partners, saw record numbers from the sale Friday, Oct. 18 and Saturday, Oct. 19 at the Indiana State Fairgrounds. A total of 342 yearlings were sold for a gross sales of \$7.9 million.

According to the sale website, an average of \$23,123 was hit, a new record for the sale. The number passed the \$22,633 average in 2022. The top co-seller and top pacing colt was a Tellitlikeitis colt consigned by Bontrager Stables who brought a price of \$145,000 from buyer Pat DeLong. Whatitisyo, the latest foal from the top brood mare Honeys Luck, is a half-brother to Amazing Arya (1:51.2, \$344,000), Marvelous Marshia (1:50.1, \$287,000), and Madelines Blk Jack (1:50.4, \$221,000).

Joining Whatitisyo as the co-top seller was Ponda Type, a daughter of Rockin Image who was knocked down at \$145,000, also to Pat DeLong. From the Pond-A-Acres consignment, Ponda Type sold just a few yearlings ahead of Whatitisyo and is a full sister to the great Ponda Warrior (1:48.0, \$732,000). Her dam, Sweetnsinful, took a mark of 1:50.4 and made \$392,000 before becoming a brood mare with the impressive Pond-A-Acres band.

Also from Pond-A-Acres, Ponda Suite, the second foal from the mare Aperfectcrystal, was the highest priced trotting filly of the sale. She brought \$135,000 and was sold to Burke Racing Stable. The Swan for All daughter is from the maternal family of the tough trotter Aperfectyankee, half-brother to the filly's dam, Aperfectcrystal. Aperfectyankee had a mark of 1:53.0 and earnings of more than \$588,000 before being exported to Sweden.

The top selling trotting colt was Kountry Tab from the Legacy Lane Farm consignment, the agent for Kountry Lane Standardbreds. Purchased by Dr. Anthony Lombardi for \$110,000, the Swan for All colt is the second foal from the great Indiana trotting mare Custom Cantab, who is a millionaire with a mark of 1:52.0. Her talent extended beyond Indiana borders as she won numerous races out East at The Meadowlands, Woodbine, Dover Downs, and Tioga Downs just to name a few.

Dr. Alan White prepared an analysis of the Hoosier Classic Yearling Sale with statistics for sellers, buyers and overall numbers from the event.

Hoosier buyers bring impressive brood mare prospects back to Indiana

By Tammy Knox

Indiana breeders were out in full force at the recent Standardbred Horse Sale at Harrisburg, Pa. A total of 31 brood mares were purchased and will be added to various breeding operations associated with the state of Indiana.

Four of the brood mares were brought back to Indiana for six figures with Graceful Design, a three-year-old Father Patrick filly, purchased for \$240,000 by Ola Yoder of Kountry Lane Standardbreds. Graceful Design took a mark this year of 1:54.2 and earned more than \$139,000. She was a contender in several of the big races and finished third in the Jim Doherty Memorial held at Harrah's Hoosier Park. Her third dam is Graceful Touch, a major contender on the Grand Circuit and the dam of Muscle Massive, who stands in Indiana and is a million-dollar earner. Yoder will bring the hot Father Patrick bloodline to Indiana and to his already impressive lineup of brood mares.

Yoder also bought the second highest priced brood mare prospect by an Indiana connection to add to his pacing line. Sweet Amera, a daughter of Sweet Lou, just completed her four-year-old season and retires with a mark of 1:49.4 and more than \$233,000 in earnings. She is out of the Rocknroll Hanover mare Bolt of Thunder, who was a winner out east. Sweet Amira is a full sister to Lady Lou, who won several of the Grand Circuit stakes with a best time of 1:48.3. The third dam produced Arts Virtue, a millionaire pacing mare with a mark of 1:50.3 and also a producer of Always an Art (1:52.1, \$450,000) and the grand dam of Dynamic Youth (1:48.1, \$1.2 million). Sweet Amera was purchased by Yoder for \$155,000.

Yoder's third highest purchase was Fala for \$150,000. The Tactical Landing three-year-old filly entered the sales right with a mark of 1:54.3 and more than \$21,000 on her card. Her maternal line is loaded with talent as her second dam, Solveig, was 2004 Two-Year-Old Trotting Filly of the Year and winner of more than \$820,000. She has produced a second generation Trotting Filly of the Year in Shake it Cerry, who has earned more than \$2.7 million and has a plethora of titles, including Dan patch Trotter of the year, Three-Year-Old Trotting Filly of the Year in 2015, and Two-Year-Old Trotting Filly of the Year in 2013. She won the Breeders Crown twice, Merrie Annabelle, and Kentucky Filly Futurity, just to name a few of her accomplishments. She is a half-brother to Dontyouforgetit, a world champion gelding with more than \$598,000 in earnings.

Fala was a \$375,000 yearling purchase. She brings one of the best trotting pedigrees in recent years back to Indiana. These three new brood mare prospects join the talented lineup of Kountry Lane Standardbreds that includes millionaire trotter Custom Cantab and Shartin N, 2019 Horse of the Year with earnings in excess of \$2.6 million and a mark of 1:46.4. She and Custom Cantab are joined by three other brood mares for Kountry Lane Standardbreds that are million dollar earners.

The final six-figure brood mare purchase was by Pond A Acres. They bring Capytreach back to Indiana with a price tag of \$135,000. The Captaintreacherous three-year-old filly has a mark of 1:49.2 taken earlier this year and more than \$217,000 in earnings. Her second dam is Tsunami Hanover, who produced Southwind Tempo, Three-Year-Old Pacing Filly of the Year in 2007 and older Pacing Mare of the Year in 2009. The World Champion won a heat of the Jugette and an elimination of the Breeders Crown and the wins just kept racking up in the major stakes in North America. She completed her career with \$2.3 million on her card. The family also includes millionaire Hula's Z Tam.

Dr. Alan White, ISA Director, compiled the entire list of brood mare prospects purchased by Indiana connections. A full listing of brood mare prospects purchased for the Indiana breeding program follows, showing the activity on one of harness racing's biggest sale stages each year.

In a partnership with Walsh Products, Indiana Breed Development, Midwest Harness Supply, Hoosier Park, and 40 Indiana breeders, the ISA and volunteers Darla Gaskin and Julie Rideout coordinated a Walsh Products sponsorship, in which all participants of the Hoosier Champion and Consolation races received a plethora of gifts for achieving the highest level. Included in the bags were blankets, lead shank, halters, and vest. No matter how the participants finished all left Hoosier Park with many gifts.

Apron Upgrades at Hoosier Park

As in 2023, the ISA in 2024 took the lead in the planning, development, and furniture purchase of the next upgrade the green space apron upgrade. The ISA worked with Hoosier Park to coordinate the best use of a portion of the RCFAC budgeted money to attract guest to come back to the track.

Partnership with Other Indiana Horse Associations

The ISA continues to work closely with the Indiana HPBA, ITOBA, and Indiana QHRAI for the betterment of the Indiana horse racing industry. The ISA understands the importance of protecting and growing the \$2 billion dollar Indiana economic agri-business and staying competitive with surrounding states.

ISA Capital Projects

ISA is proud to partner with Harrah's Hoosier Park to collaborate and approve various projects annually pledged by Caesars Entertainment for upgrades and enhancements at the track. Through this program, several enhancements have been made to the paddock area, including new water heaters, a saddle pad washing station, upgraded track lighting, track maintenance equipment, race bike paddock storage, and enhanced sound and video systems in the paddock and barn area, just to name a few.

ISA also reviews and provides additional projects needing attention to improve the quality of racing for both the fans and the participants, including the newly designed and implemented Hoosier Outdoor Patio (HOP), which supplies a new outdoor seating area complete with a live entertainment venue during racing. This area has become so popular it has been expanded in 2024. A future addition is to include a childrens playground area in 2025.

Internally, ISA seeks out projects to improve benefits for members, such as securing Larison Media to enhance and provide additional social media presence to updated office equipment, which allows directors to better serve the membership with more efficient meeting tools.

Finally, the ISA continues to support national projects and stays involved with events and organizations associated with industry opportunities, including collaboration with the Hambletonian Society for Breeders Crown events, the U.S. Harness Writers Association for the annual Dan Patch Awards, which included an award to ISA Director Jay Hochstetler as the 2023 Rising Star, and conventions and gatherings of industry leaders. By participating in these initiatives, the ISA keeps Indiana racing relevant on a national stage and garners support for the state's racing and breeding programs.

Signature Racing Events

The ISA supports all larger racing nights at Harrah's Hoosier Park. Not only does the organization provide monetary funding to enhance and elevate events, numerous volunteers through the ISA work booths, provide staffing support, and create promotional stations to engage customers.

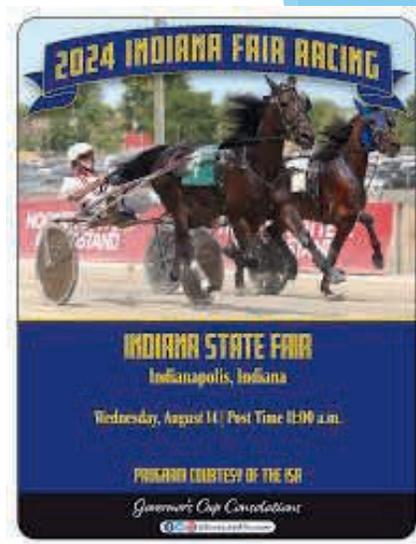

ISA's executive director Tony Renz has worked diligently to bring in sponsorships to Standardbred events and was a strong influence in providing the majority of the \$250,000 in total sponsorships for the 2023 Breeders Crown. Renz was able to secure a partnership with Wallace Feed and Grain for free bedding during the Indiana State Fair for the Speed Barn Tours.

New for 2024, Renz was at the table for negotiations with Walsh Products, who was the title sponsor for Hoosier Champions Night, placing the spotlight on the Indiana Sires Stakes Finals. The ISA took the sponsorship a step further and contacted all breeders in the state to ensure all participants in both the finals and consolations received a gift to cap off their advancement in the series.

The ISA also brings numerous entities together for specialty events during the season to provide support to the race marketing staff at Harrah's Hoosier Park for Community Night, Halloween's Equine Costume Contest, Empire of Hope, and Madison County Fourth Grade Tours, to name a few.

The ISA works with local businesses to enhance the Indiana Sired Fair Circuit. Many of the fairs provide blankets showcasing local merchants. Live streaming of all fair locations is provided with archived replays available on the organization's website. Also, free programs are created and available at each stop for the ISFC. An electronic version of the program is also made available a few days before ISFC racing program on the website.

The ISA is also instrumental in the operations of the Indiana State Fair races. In 2024, the ISA coordinated to have Wickey Family BBQ to provide food at fair sites that did not have food. They work closely with the Indiana Standardbred Breed Development for the Governor's Cup Championships held at the Indiana State Fairgrounds.

In Closing

The ISA will continue to promote, protect, and grow Indiana harness racing within the state and outside of the state. The ISA continues to emphasize to Hoosier Park the importance of bringing fans new and old back to the racetrack. The importance of attracting fans to the live experience of harness racing, is essential for the continued growth of the sport. The amenities must be in place, and the facility must be staffed as we only have one opportunity to make an impression on a race fan, so they will return.

The ISA will continue to grow its membership by offering benefits such as sulky insurance, dental and optical insurance, and on track representative. In 2024 membership grew by 32%. The ISA understands the importance of having a strong growing membership. Additional benefits are always being explored to continue to enhance the membership well-being.

The ISA will continue to work with IHRC commission staff to protect the integrity of harness racing in Indiana, while at the same time allowing for a better and safer work environment for all horsemen and women. The ISA appreciates the decision made regarding the adjustment of detention time. Being able to get back almost a full hour each day for all horsemen and women will make a difference in everyone's life.

The ISA looks forward to a safe and successful 2025 race meet. The ISA looks to do their part in continuing to grow the \$2 billion dollar Indiana economic impact agri-business industry that touches all 92 counties. The ISA appreciates its relationship it has with the Indiana HPBA, ITOBA, and Indiana QHRAI. In the end we are all Indiana horse racing.

Thank you,

The Indiana Standardbred Association
