As we enter November, may we remember and celebrate the saints on All Saints' Day and be inspired by their example of faith and holiness. Wishing all of our St. Nicholas families a blessed and joyful Thanksgiving break! May your homes be filled with gratitude, love, the peace of Christ, and delicious food!

Virtue of the Month: Patriotism

"Pray for the peace of Jerusalem: May those who love you prosper!"
–Psalm 122:6

What Does It Mean to Practice Patriotism?

Patriotism means loving and appreciating our country while showing gratitude for the freedoms, opportunities, and people who make our nation special. We practice patriotism by respecting our flag, honoring those who have served or are currently serving for our country, following laws, serving others, and being responsible citizens. We are called to be grateful for our country while also striving to make our communities more peaceful, just, and loving.

Family Challenge:

This month, take time as a family to pray for our country and those who serve it. Choose one person who serves your community or country—a veteran, military member, police officer, firefighter, or other public servant—and write them a note or say a special prayer of gratitude for them. Encourage your children to talk about one way they can be a good and helpful citizen each day!
